Subject - Recall NVS-215 eg EQ13-004 13E-019

Dear Sirs,

In response to safety recall EQ13-004 13E-019 Merhow Industries to my knowlege had performed motor replacement to mentioned awning motor on or about 3/26/13. The awning motor was replaced by the Dometic Corporation before unit was installed on a production unit. I am including a Dometic corporation Awning motor work order invoice. I hope this information helps in your addressing this safety issue.

Thank You,

Charles J. Beard
