Ms. Cynthia Glass:

In response to correspondence concerning EQ 13-004, we have determined this recall would not be a concern as our installation process covers any such problem.

Roger Dalton, President, of Dalton Enterprises has contacted this number, 202-366-2920. We are following up with written correspondence. Our offices are shut down for the whole week of the Fouth of July. Please contact Roger Dalton at 276-920-9178 or Tommy Owens at 540-392-5245 for assistance while we are closed.

We will be glad to go over this with the manufacturer or your office.

Sincerely,

Anita Coe
