Re: Safety Recalls EQ 13-006

Dear Ms. Timian:

I am writing in response to your letter to Amerimax RV Door dated November 15, 2013 regarding EQ 13-006. As an initial matter, Euramax International, Inc. ("Euramax" or the "Company") sold the Amerimax RV Door business in question in early 2012. Currently and during the time the Company owned this business, Euramax did not manufacture recreational vehicles ("RV"). The Company merely supplied doors with fasteners to third party RV OEMs. Since the Company was not a manufacturer of RVs or a seller of stand-alone doors with fasteners to retailers, distributors or dealers, the Company will not be conducting a recall.

Should you have any questions, please free to contact me at (678) 728-9654 or by email at sreddy@euramax.com.

Sincerely,

Shyam K. Reddy
