Dear Cynthia,

In response to the information requested for EQ 13-006, the 24 defective locks that LOOK Trailers purchased for WESCO (Fastec Industrial Corporation) were used for baggage doors, generator doors and concession doors only.

LOOK Trailers is a manufacturer of enclosed cargo trailers. We are not a vehicle manufacturer.

We have determined that LOOK Trailers is not conducting a recall on this issue.

Sincerely,

Joe McMillin
VP Of Operations
LOOK Trailers
