Ms. Glass,

In response to the information request for EQ 13-006, the 48 defective locks that South GA. Cargo purchased from Fastec Industrial Corporation were used for our dealers inventory.

South GA. Cargo is a cargo trailer manufacturer and our doors are purchased from a separate vendor. We are not a motor vehicle manufacturer.

We have determined that South GA. Cargo is not conducting a recall on this issue.

Thank you for your Assistance,

Greg Graham

GM, South GA. Cargo
