Subject: Second Request for Information – Response Required

Dear Mr. Burnell Matlock:

On February 3, 2014, we wrote to Federal Coach as part of an ongoing investigation being conducted by the Office of Defect Investigations (ODI) at the National Highway Traffic Safety Administration (NHTSA) concerning a safety issue involving **81** electric door actuator printed circuit (PC) boards that may experience voltage spikes that could damage electrical components and electrical circuits, causing the PC board to develop high resistance. Your company's response to that letter was due to NHTSA within 10 days of receipt. At this time, we have not received your response.

This letter is being sent in order to remind Federal Coach that it must respond to the earlier letter and that your company may have additional obligations under Federal law as we explained in the earlier letter.

A written response to our earlier letter must be submitted to this office within 7 days of your receipt of this letter. Response submission may be made by US Mail to the address listed therein or by e-mail to rmd.odi@dot.gov and cynthia.glass@dot.gov. In your response, please be certain to include a reference to this matter's identification number, **EQ 14-003**.

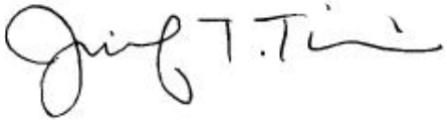

If Federal Coach claims that any of the information or documents provided in response to this information request constitute confidential commercial material within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, your company must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with 49 CFR Part 512, as amended (69 Fed. Reg. 21409 et seq; April 21, 2004), to the Office of Chief Counsel (NCC-111), National Highway Traffic Safety Administration, Room W41-227, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590. Your company is required to submit two copies of the documents containing allegedly confidential information (except only one copy of blueprints) and one copy of the documents from which information claimed to be confidential has been deleted. Please remember that the word "CONFIDENTIAL" must appear at the top of each page containing information claimed to be confidential, and the information must be clearly identified in accordance with 5 U.S.C. § 512.6.

This letter is being sent to your company pursuant to 49 U.S.C. § 30166, which authorizes NHTSA to conduct any investigation that may be necessary to enforce Chapter 301 of Title 49. Your company's failure to respond promptly and fully to this letter could subject your company to civil penalties pursuant to 49 U.S.C. § 30165 or lead to an action for injunctive relief pursuant to 49 U.S.C. § 30163. Section 5(a) of the TREAD Act, codified at 49 U.S.C. § 30165(b), provides for civil penalties of up to $6,000 per day, with a maximum of $17,350,000 for a related series of violations, or for failing or refusing to perform an act required under 49 U.S.C. § 30166. See 49 CFR 578.6 (as amended by 75 Fed. Reg. 79978 (Dec. 21, 2010)). This includes failing to respond to ODI information requests.

I urge Federal Coach to comply with this information request in order to ensure that these important issues relating to motor vehicle safety are promptly addressed, and in order to avoid potential enforcement action against your company in addition to substantial penalties for failure to respond to an inquiry issued during an official investigation.

Should you have any questions regarding this inquiry, please contact Cynthia Glass of my staff at (202) 366-2920 or by e-mail at cynthia.glass@dot.gov.

Dear Materials Manager:

On February 3, 2014, we wrote to North Central Bus Sales as part of an ongoing investigation being conducted by the Office of Defect Investigations (ODI) at the National Highway Traffic Safety Administration (NHTSA) concerning a safety issue involving **15** electric door actuator printed circuit (PC) boards that may experience voltage spikes that could damage electrical components and electrical circuits, causing the PC board to develop high resistance. Your company's response to that letter was due to NHTSA within 10 days of receipt. At this time, we have not received your response.

This letter is being sent in order to remind North Central Bus Sales that it must respond to the earlier letter and that your company may have additional obligations under Federal law as we explained in the earlier letter.

A written response to our earlier letter must be submitted to this office within 7 days of your receipt of this letter. Response submission may be made by US Mail to the address listed therein or by e-mail to rmd.odi@dot.gov and cynthia.glass@dot.gov. If Commercial Body Builders LTD claims that any of the information or documents provided in response to this information request constitute confidential commercial material within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, your company must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with 49 CFR Part 512, as amended (69 Fed. Reg. 21409 et seq; April 21, 2004), to the Office of Chief Counsel (NCC-111), National Highway Traffic Safety Administration, Room W41-227, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590. Your company is required to submit two copies of the documents containing allegedly confidential information (except only one copy of blueprints) and one copy of the documents from which information claimed to be confidential has been deleted. Please remember that the word "CONFIDENTIAL" must appear at the top of each page containing information claimed to be confidential, and the information must be clearly identified in accordance with 5 U.S.C. § 512.6.

This letter is being sent to your company pursuant to 49 U.S.C. § 30166, which authorizes NHTSA to conduct any investigation that may be necessary to enforce Chapter 301 of Title 49. Your company's failure to respond promptly and fully to this letter could subject your company to civil penalties pursuant to 49 U.S.C. § 30165 or lead to an action for injunctive relief pursuant to 49 U.S.C. § 30163. Section 5(a) of the TREAD Act, codified at 49 U.S.C. § 30165(b), provides for civil penalties of up to $6,000 per day, with a maximum of $17,350,000 for a related series of violations, or for failing or refusing to perform an act required under 49 U.S.C. § 30166. See 49 CFR 578.6 (as amended by 75 Fed. Reg. 79978 (Dec. 21, 2010)). This includes failing to respond to ODI information requests.

I urge Commercial Body Builders LTD to comply with this information request in order to ensure that these important issues relating to motor vehicle safety are promptly addressed, and in order to avoid potential enforcement action against your company in addition to substantial penalties for failure to respond to an inquiry issued during an official investigation.

Should you have any questions regarding this inquiry, please contact Cynthia Glass of my staff at (202) 366-2920 or by e-mail at cynthia.glass@dot.gov.

Subject: Second Request for Information – Response Required

Dear Materials Manager:

On February 3, 2014, we wrote to Coast RTA as part of an ongoing investigation being conducted by the Office of Defect Investigations (ODI) at the National Highway Traffic Safety Administration (NHTSA) concerning a safety issue involving **8** electric door actuator printed circuit (PC) boards that may experience voltage spikes that could damage electrical components and electrical circuits, causing the PC board to develop high resistance. Your company's response to that letter was due to NHTSA within 10 days of receipt. At this time, we have not received your response.

This letter is being sent in order to remind Coast RTA that it must respond to the earlier letter and that your company may have additional obligations under Federal law as we explained in the earlier letter.

A written response to our earlier letter must be submitted to this office within 7 days of your receipt of this letter. Response submission may be made by US Mail to the address listed therein or by e-mail to rmd.odi@dot.gov and cynthia.glass@dot.gov. In your response, please be certain to include a reference to this matter's identification number, **EQ 14-003**.

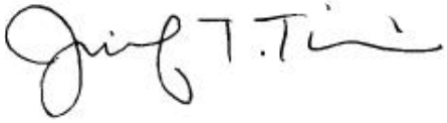

If Coast RTA claims that any of the information or documents provided in response to this information request constitute confidential commercial material within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, your company must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with 49 CFR Part 512, as amended (69 Fed. Reg. 21409 et seq; April 21, 2004), to the Office of Chief Counsel (NCC-111), National Highway Traffic Safety Administration, Room W41-227, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590. Subject: Second Request for Information – Response Required

Dear Mr. Alex Foris:

On February 3, 2014, we wrote to TMC Group as part of an ongoing investigation being conducted by the Office of Defect Investigations (ODI) at the National Highway Traffic Safety Administration (NHTSA) concerning a safety issue involving **89** electric door actuator printed circuit (PC) boards that may experience voltage spikes that could damage electrical components and electrical circuits, causing the PC board to develop high resistance. Your company's response to that letter was due to NHTSA within 10 days of receipt. At this time, we have not received your response.

This letter is being sent in order to remind TMC Group that it must respond to the earlier letter and that your company may have additional obligations under Federal law as we explained in the earlier letter.

A written response to our earlier letter must be submitted to this office within 7 days of your receipt of this letter. Response submission may be made by US Mail to the address listed therein or by e-mail to rmd.odi@dot.gov and cynthia.glass@dot.gov. In your response, please be certain to include a reference to this matter's identification number, **EQ 14-003**.

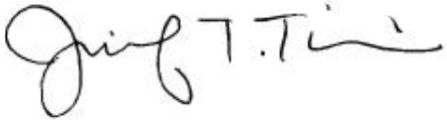

If TMC Group claims that any of the information or documents provided in response to this information request constitute confidential commercial material within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, your company must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with 49 CFR Part 512, as amended (69 Fed. Reg. 21409 et seq; April 21, 2004), to the Office of Chief Counsel (NCC-111), National Highway Traffic Safety Administration, Room W41-227, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590.
