Re: Request for Confidential Treatment of Business Information Submitted

Dear Mr. Vincent:

Chrysler Group LLC (“Chrysler”) is voluntarily submitting a document relating to a TIPM overview presentation on October 7, 2014. A request for these documents was made in an email on September 24, 2014, by Mr. Jeff Quandt of NHTSA to Chrysler. Based on a careful review of the submission, Chrysler has determined that some of the information in the submission is confidential and should be accorded confidential treatment under this agency’s regulations at 49 C.F.R. Part 512 and Exemption 4 of the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552(b)(4).<sup>1</sup> Therefore, Chrysler is submitting the enclosed CDs together with this request for confidential treatment to the Office of Chief Counsel.

The information required by Part 512 is set forth below.

**A. Description of the Information (49 C.F.R. § 512.8(a))**

The business information for which confidential treatment is being sought is in a single pdf document (Bates page numbers: 10.8.14 TIPM Overview Presentation -Voluntary- Chrysler – 03 through 06 and 08 through 22).

**B. Confidentiality Standard (49 C.F.R. § 512.8(b))**

This submission is subject to the voluntary submission standard set forth in 49 C.F.R. § 512.15(d).

---

<sup>1</sup> Chrysler has taken steps to assure that the CDs are free of any errors or defects that would prevent NHTSA from opening the files on the discs. If, however, the agency is unable to open the files, Chrysler respectfully requests that the agency inform Chrysler of the issue, so that Chrysler may take steps to supply NHTSA’s Office of Chief Counsel with a disc that is fully functional.

**C. Justification for Confidential Treatment (49 C.F.R. § 512.8(c))**

Information is voluntarily submitted if the agency did not invoke its authority to compel the submission of the information, even if the agency had such authority. *See Parker v. Bureau of Land Management*, 141 F. Supp. 2d 71, 78 n.6 (D.D.C 2001) (“In addition to possessing the authority to compel submission, the agency must also exercise that authority in order for a submission to be deemed mandatory.”); U.S. Dept. of Justice, Guide to the Freedom of Information Act at 279 (2009) ([http://www.justice.gov/oip/foia\\_guide09/exemption4.pdf](http://www.justice.gov/oip/foia_guide09/exemption4.pdf)) (“Furthermore, the existence of agency authority to require submission of information does not automatically mean such a submission is ‘required’; the agency authority must actually be exercised in order for a particular submission to be deemed ‘required.’”). At no time did Mr. Jeff Quandt purport to invoke NHTSA’s authority to compel the submission of the information for which Chrysler is seeking confidential treatment.

Information submitted voluntarily should be accorded confidential treatment if it is the type of information that is not customarily disclosed by the submitter to the public. Chrysler does not ever, much less customarily, disclose its internal analysis and component history included in this submission.

**D. Class Determination (49 C.F.R. § 512.8(d))**

The information is not subject to a Class Determination.

**E. Duration for Which Confidential Treatment is Sought (49 C.F.R. § 512.8(e))**

Because the information for which confidential treatment is being sought is the kind of information that Chrysler does not anticipate ever customarily disclosing to the public, Chrysler requests that the information be accorded confidential treatment permanently.

**F. Contact Information (49 C.F.R. § 512.8(f))**

Please direct all inquiries and responses to the undersigned at:

If you receive a request for disclosure of the information for which confidential treatment is being sought before you have completed your review of our request, Chrysler respectfully requests notification of the request(s) and an opportunity to provide further justification for the confidential treatment of this information, if warranted.

Sincerely,

 on behalf of

Philip Hartnagel
