On September 16, 2014, a video conference meeting was held with Takata and the manufacturers involved in the Takata inflator Regional Field Action (RFA). Representatives from Takata, BMW, Chrysler, Ford, GM, Honda, Mazda, Mitsubishi, Nissan, Subaru, Toyota and NHTSA were present. Takata provided a status of the RFA and each manufacturer provided/updated the status of their owner notification campaign. NHTSA advised each of the manufacturers to update their RFA/573 submission when new information is available. Attachment 1 contains the Takata presented material. Please place this document in the EA14-016 investigation file.

If you have any questions, please contact Peter Ong on 60583.
