EXTENDED WARRANTY NOTIFICATION

VIN XXXXXXXXXXXXXXXXXXXX

Dear Hyundai Sonata owner:

The warranty coverage for the seat belt buckle assemblies on 2006-2008 Sonatas has been extended to 15 years from the date of original delivery or the date of first use, or 250,000 miles, whichever occurs first

What is the reason for this additional warranty?

- Hyundai has determined that on some vehicles, the airbag warning light may illuminate due to resistance within the connector for the front seat belt buckle(s). This condition does not pose a safety risk; it does not affect the ability of the airbag system to detect a collision or deploy the seat belt pretensioners and airbags when required.

What should you do?

- If the "AIR BAG" warning lamp in your Sonata turns off a few seconds after starting your vehicle, **your airbag system is operating normally and there is no need for service.**
- If the "AIR BAG" warning lamp in your Sonata remains on when your vehicle is running, schedule an appointment with your Hyundai dealer to have the air bag system diagnosed and repaired. If the warning lamp is illuminated due to the seat belt buckle(s), the dealer will secure the seat belt buckle connectors. This repair will be performed at no charge to you. This is a one-time repair program.

Reimbursement Notification

- Hyundai has a program for reimbursing owners of Model Year 2006 through 2008 Hyundai Sonata vehicles who have already paid to have their seat belt buckle(s) repaired due to the connector prior to receiving this letter. To obtain information about reimbursement from Hyundai, please call the Hyundai Customer Connect Center at 1-855-671-3059.

What if you no longer own this vehicle?

- If you no longer own this vehicle and have an address for the current owner, please forward this letter to the new owner. You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

What if you have other questions?

- If you have any questions or difficulty having this repair performed, call the Hyundai Customer Care Center at 1-855-671-3059.

Please remember to save this letter in case you need to take advantage of this additional coverage program. We thank you for your purchase of your Sonata and hope for your continued satisfaction as a Hyundai owner.
