Hyundai Motor America (Hyundai) requested a partial extension for its response to the information request for investigation PE14-023. The original response was due to the Office of Defects Investigation (ODI) on September 12, 2014. Hyundai proposed to file a response to questions 1-7 on or before the original due date, and requested a one-week extension for questions 8-12 to allow for the translation of documents received from Korea. ODI has granted this extension.
