January 30, 2014

To Whom It May Concern::

In response to the information request for EQ 14-002, the 143 defective units that Brink's Manufacturing Company purchased from Sure Power Inc. were used for resale as aftermarket equipment.

Brink's Manufacturing Company did not sell the defective units to vehicle manufacturers and did not sell vehicles with the defective units. Therefore, Brink's Manufacturing Company is not conducting a recall on this issue.

Best regards,

Jason Jacobusse
