Subject: Safety Recdalls EQ 14-002, 13E-050

Dear Cynthia Glass:

We are in receipt of your letter dated January 16, 2014 regarding the above referenced safety recall.

Country Coach Corporation has never manufactured any vehicles. The subject vehicles were manufactured by Country Coach, LLC or Country Coach Inc. Country Coach, LLC was liquidated in a Chapter 7 Federal Bankruptcy. All of the equipment and assets of the former Country Coach, LLC were sold at a Federal Bankruptcy public auction on February 4 and 5 of 2010. At that bankruptcy liquidation auction, Ron Lee purchased the intellectual property of Country Coach, LLC. That intellectual property consisted of all the trademarks, patents, and fiberglass molds of the bankrupt company.

With that purchase, Ron Lee formed a new corporation, Country Coach Corporation and opened the doors for a service business on January 3, 2011. Country Coach Corporation is not a continuation of Country Coach, LLC or Country Coach Inc. We have not manufactured or converted any buses. The company that Sure Power sold the subject parts to no longer exists.

Regards,
David Diamond
