Dear Ms. Glass:

This is in reference letter identification number EQ 14-003.

In August, 2012 Rivers Bus Sales was purchased by LBS South; therefore, Rivers Bus Sales is out of business and Rivers Bus Sales is not conducting a recall on this issue. In addition Rives Bus Sales was not a manufacturer of vehicles. Rivers was a bus dealership engaged in the Sales, Parts and Service of several product lines/manufacturers vehicles.

As LBS South we do not have access to the information requested.

Sincerely,

Mike McCullough
Operations Manager
LBS South
