Dear Cynthia:

In response to the information request for EQ 14-003, the 15 defective printed circuit boards that North Central Bus Sales purchased from A&M Systems, Inc. were used for replacement parts that were sold through our dealer parts department.

North Central Bus Sales is not a vehicle manufacturer; we are a Commercial Bus Dealer for Goshen Coach, Startrans and Elkhart Coach. Therefore, North Central Bus Sales is not conducting a recall on this issue.

Sincerely,

Mike Braulick
