Ms. Glass,

This letter is in response to the information request for EQ 14-003. The 16 defective circuit boards that A-Z Bus Sales purchased from A&M Systems, Inc. were used for retail sales.

A-Z Bus Sales is not a vehicle manufacturer, we are a distributor. Therefore, A-Z Bus Sales is not conducting a recall on this issue.

Please let me know if there is anything that you require from us.

Best Regards,

Jerry Pederson
