RE: Safety Recalls EQ 14-003, 13E-045 Arizona Bus Sales

Dear Ms. Glass,

In response to the information request for EQ 14-003, the 13 defective printed circuit boards that Arizona Bus Sales purchased from A&M Systems, Inc. were used for retail sales.

Arizona Bus Sales is not a vehicle manufacturer. As of January of 2012 Arizona Bus Sales was acquired by Creative Bus Sales; therefore, Arizona Bus Sales is out of business and will not be conducting a recall on this issue.

With Best regards,

Dale Couturier
General Manager
