HOEKSTRA
TRANSPORTATION, INC.

RECEIVED

Cynthia Glass,

In response to the information request for EQ 14-004, the 20 defective seat belt assemblies that Hoekstra Transportation, Inc. purchased from IMMI were part of child restraint assemblies which we installed in two Thomas Built school buses owned by Five Cap, Inc.

Hoekstra Transportation, Inc did not install the defective seat belt assemblies into new vehicles. Hoekstra Transportation, Inc is not a vehicle manufacturer; we are a bus, truck, and van dealership which sells and services vehicles. We have contacted IMMI to acquire the necessary parts to correct this issue for our customer.

Therefore, Hoekstra Transportation, Inc. is not conducting a recall on this issue.

Sincerely,

James Harned
