EQ 14-004, IMMI recall 13E-061

Navistar Inc. is responding to your correspondence regarding EQ14-004 originally dated 4/30/14. The 19 locations listed in your attached table for "International Corporation – PDC" are all parts distribution centers for our International trucks and IC bus vehicles. When Navistar, Inc. initiated 13V630 (Navistar recall 13519, 13520) and 13V631 (Navistar recall 13521), we purged our parts distribution centers of any suspect stock of these L9 IMMI belts.

Therefore, Navistar's PDC locations, i.e. those titled "International Corporation – PDC" in the table will not be conducting a recall on this issue as all suspect parts were removed from the inventory prior to the vehicle recalls mentioned above.

The undersigned should be contacted for any additional information regarding this issue on (331) 332-1590.

Sincerely,
