Ms. Cynthia Glass:

In response to the information request for EQ 14-004, the 3 defective seat belt assemblies that Sonny Merryman Inc. purchased from IMMI were part of seat assemblies manufactured by IMMI.

Sonny Merryman Inc. did not install the defective seat belt assemblies into a new vehicle as a manufacturer; we are a Thomas Built Buses dealer. Therefore, Sonny Merryman Inc. is not conducting a recall on this issue.

If you need further information on this matter, please let us know.

Thank you,

Brady Childress
