Re: Cummins recall, 14E-003 / DOT Equipment query investigation, EQ 14-005

Dear Ms Glass,

In response to the information request for EQ 14-005, the 57 defective Cummins Westport engines that Complete Coach Works purchased from Cummins Inc. were installed as part of various refurbishment projects on customer owned vehicles.

Complete Coach Works did not install the defective engines into new vehicles. Complete Coach Works is not a vehicle manufacturer; we are a remanufacture and repair shop.

Therefore, Complete Coach Works is not conducting a recall on this issue.

Please feel free to contact me if you have any questions or need further information. I can be reached by phone at (951) 684-9585 extension 131 or by e-mail: paula@completecoach.com.

Sincerely,

Paula Rudd
