TO WHOM IT MAY CONCERN

IN RESPONSE TO THE INFORMATION REQUEST FOR EQ 14-006, THE DEFECTIVE PTO PRESSURE SWITCHES THAT ATLANTA WRECKER SAKES PURCHASED FROM MUNCIE POWER PRODUCTS, INC. WERE INSTALLED ONTO TRUCKS AS ONE PART OF THE PROCESS OF UPFITTING SAID TRUCKS WITH JERRDAN WRECKER AND CARRIER BODIES.

ATLANTA WRECKER SALES IS NOT A VEHICLE MANUFACTURER; WE ARE A JERRDAN DISTRIBUTOR AND ARE CLASSIFIED AS A BODY COMPANY OR A BODY UPFITTER. WE INSTALL COMPLETE BODY UNITS ONTO COMPLETE TRUCKS AND THEN DISTRIBUTE THEM TO VARIOUS CUSTOMERS IN VARIOUS LOCATIONS.

THEREFORE, ATLANTA WRECKER SALES IS NOT CONDUCTING A RECALL ON THIS ISSUE.

SINCERELY

LEE GILES
