In response to the information request for EQ 14-006, 2 defective PTO pressure switches that Marco Equipment Sales, LLC purchased from Muncie Power Products were quarantined in our facility and have been discarded. One defective PTO pressure switch was sold to a Ford dealership and has been notified of the recall.

Marco Equipment Sales, LLC is not a vehicle manufacturer. We are a manufacture of P.T.O. systems for light duty trucks.

Therefore, Marco Equipment Sales, LLC is not conducting a recall on this issue.
