Dear Cynthia,

In response to the information request for EQ 14-006, the 9 defective PTO pressure switches that Zoresco Equipment Company purchased from Muncie Power Products, Inc. were installed per the manufacturers recommended installation instructions.

Zoresco Equipment Company is not a vehicle manufacturer; we are an aftermarket truck equipment distributor. We install bodies and equipment onto the vehicles for customers.

Therefore, Zoresco Equipment Company is not conducting a recall on this issue.

If you have any questions or need any further information, please feel free to contact me at 412-829-2120 or e-mail me at ctedesco@zoresco.com.

Thank you,

C.J. Tedesco
