Ms. Glass,

In response to the information request for QE 14-008, the travel trailer frames with (2) two defective spring hangers that Gulf Stream Coach, Inc. purchased from Lippert Components Inc., were both shipped out of the country to our Canadian dealer Roulottes RG Gagnon Inc in L'Assompton, QC. Lippert Components informs us that they are making arrangements to inspect and repair if necessary these two frames.

Gulf Stream Coach Inc. did not manufacture or distribute any vehicles within the United States with defective spring hangers. Therefore, Gulf Stream Coach, Inc is not conducting a Recall on this issue.

Respectfully,

GULF STREAM COACH, INC
