Subject : SAF-Holland Recall

In response to the information request for EQ 14-010, the 120 units that Max-Atlas Equipment Inc. purchased from SAF-Holland, Inc. were installed on vehicles sold only in Canada and are being addressed under a Transport Canada safety recall. None of the affected units were exported to the United States.

Therefore, Max-Atlas Equipment, Inc. is not conducting a recall on this issue.

Best regards,

Tibor Varga
President
