Subject : Safety Recall EQ 14-012

Thank you for your letters dated October 16 and December 17 2014.

In response to these letters I would confirm that Neopart has purchased 440 of the throttle pedal spring assemblies from Williams Controls.

Neopart LLC is a parts distributor and not a vehicle manufacturer. As such we will not be conducting a recall on this issue.

Thank you for your interest in Neopart

Sincerely

P. W. Gendall
President
