Dear Cynthia,

In response to the information request for EQ 14-013, the 22 wheelchair lift platforms that Quality Van Sales, Inc. purchased from Ricon Corporation were not used to manufacture vehicles. Quality Van Sales, Inc. is not a vehicle manufacturer; we are an upfitter of handicap accessible vehicles.

Therefore, Quality Van Sales, Inc. is not conducting a recall on this issue.

Thank you,

Brian L Duffy, Sr.
President of Quality Van Sales, Inc.
