LGE
COACHWORKS

January 16, 2015

To Whom It May Concern:

This letter is in response to the information request for EQ 14-015. LGE Coachworks purchased 1(one) suspension fluid tank system from LiquidSpring, LLC. However, LGE Coachworks did not use this equipment to manufacture vehicles. LGE Coachworks is a vehicle modifier or upfitter for custom limousine buses and coaches.

Therefore, LGE Coachworks is not conducting a recall on this issue.

LGE Coachworks received information from LiquidSpring in August 2014 requesting the end user location and contact information. That was provided to them via telephone conversation. LGE Coachworks received information from the NHTSA in December 2014 via USPS Certified Mail. That information was sent to the end user via USPS Certified Mail and was delivered to them on January 2, 2015.

Should you have any further questions be call me at 814-806-2920 or email at alexa@lgecoachworks.com.

Sincerely,

Alexa Sacco
