Memorandum

Subject: ACTION: PE15-006 Memo to Public File

Date: June 10, 2015

From: Kyle Bowker
Office of Defects Investigation

In Reply Refer To: NVS-214

To: Artemis Document Repository

This memorandum serves to provide public notice that the April 29, 2015 information request (IR) letter to Agility Fuel Systems, Inc. has been amended as follows:

11. State the number of CNG fuel systems, which are the same or substantially similar to those equipped on the subject vehicles, that Agility has manufactured that may be used in other vehicles apart from the subject vehicles. Identify these other vehicles by make, model and model year and state the number of such CNG fuel systems manufactured for each.

Attachments:

Copy of email message dated June 5, 2015 sent by Mr. Kyle Bowker of the Office of Defects Investigation to Mr. Seung Baik of Agility Fuel Systems, Inc. detailing the amendment made to the April 29, 2015 IR letter, Request No. 11.

Subject: PE15-006 Information Request Letter Amended Q11
Date: Friday, June 05, 2015 5:18:51 PM

To Mr. Seung Baik,

Per our telephone conversation this afternoon, I have decided to amend the April 29, 2015 information request (IR) letter to Agility, request No. 11, as follows:

11. State the number of CNG fuel systems, which are the same or substantially similar to those equipped on the subject vehicles, that Agility has manufactured that may be used in other vehicles apart from the subject vehicles. Identify these other vehicles by make, model and model year and state the number of such CNG fuel systems manufactured for each.

Sincerely,
Kyle Bowker
