July 24, 2015

Mr. Jeff Quandt, Chief
Office of Defects Investigation, NVS-213
U.S. Department of Transportation

National Highway Traffic Safety Administration ("NHTSA")
Office of Defects Investigation ("ODI")
Room W48-312
1200 New Jersey Avenue SE
Washington, D.C. 20590

Reference: NVS-213krh; PE15-003

Dear Mr. Quandt:

Attached is FCA US LLC's ("FCA US") response to the informal request for information made during the telephonic meeting between NHTSA's ODI and FCA US titled "Supplemental PE15-003 & V6 Oil Filter" on July 22, 2015. The information included in this submission relates to PE15-003, and is provided voluntarily. FCA US is submitting to the Chief Counsel's Office, via courier for next day delivery with a request for treatment as confidential business information, additional detailed information responsive to this request.

Included in this submission are documents requested during the above referenced meeting. The document name and description can be found in Table 1: Description of Included Documents.

Document Name	Document Description
NHTSA Presentation PE15-003 Supplemental CONF BUS INFO.pdf	Presentation material including the warranty graph in the same format as the A/C line warranty as requested in the July 22, 2015 meeting between FCA US and NHTSA's ODI titled "Supplemental PE15-003 & V6 Oil Filter".
