2012 JEEP WRANGLER

Dear Mr. [Redacted]

This letter is to confirm that you are the owner of a 2012 JEEP WRANGLER, VIN 1C4BJWCG9[Redacted], that was involved in an airbag incident. This letter further confirms that you have given Chrysler Group LLC permission to perform an inspection of the vehicle.

As part of the inspection, the vehicle will be documented by photographs and measurements. The vehicle is equipped with an Occupant Restraint Control module (ORC). As explained in the Owner's Manual, in addition to other functions, the ORC records information about the airbag system and other data during an airbag deployment event. As part of our investigation, we will image the ORC data using a Bosch Crash Data Retrieval Tool. Using the Bosch Crash Data Retrieval Tool will not erase or alter any data contained in the ORC.

Please sign the space provided below to confirm that you consent to the inspection of this vehicle as described above.
