28368 mi

A close-up photograph of a car's gear selector knob. The knob is dark with a silver-colored metal ring around its perimeter. On the top surface of the knob, the letters 'P', 'R', 'N', and 'D' are printed in white. Above each letter is a small horizontal bar. The 'P' bar is illuminated with a bright orange glow, while the other bars are unlit. The background is a dark, out-of-focus surface.

P R N D

A close-up photograph of a car's interior, specifically the gear shift area. The background is a dark, textured surface, likely black plastic or leather. On the left, a portion of a yellow gear shift knob is visible, showing a curved shape with a thin black line near its base. In the center, a white, stylized letter 'R' is printed on the dark surface. The lighting is dramatic, with some highlights on the yellow knob and the white letter, while the rest of the scene is in deep shadow.

R

P R N D

A close-up photograph of a car's gear shift knob. The knob is dark, possibly black or dark grey, with a textured surface. A bright, glowing white letter 'N' is illuminated on the knob, indicating the neutral gear position. To the left of the knob, a portion of a red, curved object, likely a part of the car's interior trim or a gear shift boot, is visible. The background is dark and out of focus.

N

P R N D

A close-up photograph of a car's gear shift knob. The knob is dark-colored with a silver or chrome trim. The letters 'P', 'R', 'N', and 'D' are printed in white on the knob's surface. Above each letter is a small horizontal line. A small, rectangular orange light is illuminated above the 'D' position. The background is dark and out of focus.

— — — ■

P R N D

A close-up photograph of a car's gear shift knob. The knob is dark with a metallic, rounded edge. It features four gear positions labeled 'P', 'R', 'N', and 'D' in white capital letters. Above each letter is a small rectangular indicator light. The light above the 'D' position is illuminated, glowing with a bright orange-red light. The other three indicator lights are unlit. The background is a light-colored, slightly out-of-focus surface, likely the car's interior.

A close-up photograph of a dark, possibly black, surface. On the left side, there is a large, curved, red-lit lens or light source. In the center-right, the text 'D1' is illuminated in a bright white or light blue glow. The background is dark and out of focus, showing some faint light patterns and textures.
