Washington
DC 20590

Dear Cynthia,

Thanks for your time on our recent telephone conversation. This response is in relation to the letter Alexander Dennis received for safety recalls 14V-313 and 14V-314. I can confirm and have copied an e-mail from Cummins that confirms that ADL never received any of the engines associated with this safety recall.

Please confirm that our response now fully closes this issue with Alexander Dennis.

Sincerely,

George McAdam
Group Quality & Customer Service Director
