RE: EQ15-003, 14V-313 & 14V-314

To Whom It Concerns,

Link-Belt Construction Equipment Company (LBCE) does not manufacture any product that is considered to be a motor vehicle and therefore does not fall under the reporting requirements of the National Highway Traffic Safety Administration. Further, LBCE has not received any Cummins engines at question in safety recalls 14V-313 or 14V-314.

Stephanie Wood
