**Subject: Second Request for Information – Response required**

Dear Mr. Patrick:

On April 5, 2016, we wrote to Nitrous Supply as part of an ongoing investigation being conducted by the Office of Defects Investigation (ODI), Recall Management Division (RMD) at the National Highway Traffic Safety Administration (NHTSA) concerning a safety issue involving 50 nitrous oxide solenoid valves that were sold to your company for possible installation into nitrous oxide system assemblies. Your company's response to that letter was due to NHTSA within 10 days of receipt. At this time, we have not received your response.

This letter is being sent in order to remind Nitrous Supply that it must respond to the earlier letter and that your company may have additional obligations under Federal law as explained in the earlier letter.

A written response to our earlier letter must be submitted to this office immediately of your receipt of this letter. You response submission may be by US Mail to the address therein or by e-mail to Kelly.schuler@dot.gov. In your response, please be certain to include a reference to this matter's identification number EQ 16-001.

If your company claims that any of the information or documents provided in response to this information request constitute confidential commercial material within the meaning of 5 U.S.C. § 552(b)(4), or are protected from disclosure pursuant to 18 U.S.C. § 1905, your company must submit supporting information together with the materials that are the subject of the confidentiality request, in accordance with 49 CFR Part 512, as amended (69 Fed. Reg. 21409 et seq; April 21, 2004), to the Office of Chief Counsel (NCC-111), National Highway Traffic Safety Administration, Room W41-227, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590. Your company is required to submit two copies of the documents containing allegedly confidential information (except only one copy of blueprints) and one copy of the documents from which information claimed to be confidential has been deleted. Please remember that the word "CONFIDENTIAL" must appear at the top of each page containing information claimed to

be confidential, and the information must be clearly identified in accordance with 5 U.S.C. § 512.6.

This letter is being sent to your company pursuant to 49 U.S.C. § 30166, which authorizes NHTSA to conduct any investigation that may be necessary to enforce Chapter 301 of Title 49. Your company's failure to respond promptly and fully to this letter could subject your company to civil penalties pursuant to 49 U.S.C. § 30165 or lead to an action for injunctive relief pursuant to 49 U.S.C. § 30163.

If you have any questions concerning this matter, please contact Kelly Schuler at (202) 366-5227 or by e-mail at Kelly.schuler@dot.gov.

Sincerely,

Jennifer Timian
Chief, Recall Management Division
Office of Defects Investigation
