A close-up photograph of a car's gear shift knob. The knob is dark grey or black with a textured surface. On the left side of the knob, there is a circular gear indicator panel with a chrome-like border. The panel is dark and reflects the surroundings. On the right side of the panel, the letters 'P', 'R', 'N', and 'D/S' are printed vertically in white. The 'P' is at the top, followed by 'R', 'N', and 'D/S' at the bottom. The background is slightly out of focus, showing parts of the car's interior.
