

**5 G - 1 0**

# **Introduction**

Planet Equipment thanks you for your purchase of the 5G-10 Emission Analyzer.

The 5G-10 five gas emission analyzer is accurate, versatile and easy to use. It also has many features. Please read and become familiar with the material in this manual in order to get the best service from your new analyzer. We have provided a Quick Start section for those who would like to start using the 5G-10 immediately.

The 5G-10 was conceived, designed, and proudly built in the United States of America for discerning users worldwide.
