Dear [REDACTED]

This will further acknowledge contact to FCA (Fiat Chrysler Automobiles), regarding your 2014 Ram 1500.

Naturally, we were sorry to learn of the incident described to us during the initial contact. However, we have had the opportunity to review the inspection report and must inform you that we are not led to believe that the incident was due to a manufacturing responsibility. Therefore, we must respectfully decline any assistance associated with this incident.

Based on this information, we can only suggest that you refer this matter to your insurance carrier. Should they feel a manufacturing responsibility exists, they have full subrogation rights under the terms of your policy.

Thank you for allowing us the opportunity in reviewing this matter with you.

Sincerely,

*Tony Morris*
