Subject: Safety Recall Notice 15E-072, Identification Number EQ16-001

Hello Kelly,

In follow up to our conversation on 4-29-2016, enclosed please find the information requested.

Edelbrock Corporation LLC was notified by Peter Paul Electronics of a product defect regarding their part number 70-1010 Solenoid Valve.

Suspect product was identified by the manufacture Julian date information 15121/15211. Edelbrock received two shipments that were traced to these codes.

PPE Part#	Qty	Invoice #	SO#	PO#
70-1010	80	[redacted]	[redacted]	[redacted]
70-1010	90			

All product from above two (2) shipments were located and quarantined prior to use or distribution to customers.

Suspect product was returned to PPE per return number 3494, by 9-04/2015 all product was returned and defective component was replaced, tested, and returned to Edelbrock approved for sale.

With defective product contained and reworked by Peter Paul Electronics, it is not necessary for Edelbrock to issue a product recall notification, pertaining to recall notice 15E-072.

If you have any further questions or require additional information, do not hesitate to ask.

Thank you,

Rick Rohauer
