Dear Mr. Fleming:

NHTSA received information suggesting that your dealership sold and delivered at least one new model year (MY) 2017 Winnebago Travato vehicle to a customer without having had all required safety recall repairs performed on that vehicle. Specifically, the information suggests repairs required under safety recall number 17V-108 were not made prior to delivery of that new vehicle to its purchaser. This recall concerns certain model year 2016 and 2017 Winnebago Travato vehicles that contain a liquid propane (LP) hose that may contact the emergency brake cable, potentially causing it to leak propane. A propane leak can increase the risk of a fire or an explosion.

A dealer's sale and delivery of a new vehicle with a safety recall outstanding is a serious matter and a violation of Federal law to which significant civil penalties could apply. See 49 U.S.C. §§ 30120(i) and 30165. This office has opened an audit query (AQ) investigation and is sending this information request in order to determine whether Lazydays RV/LDRV Holdings Corp. (defined below) has complied with the prohibition on sales and delivery of unremedied new vehicles subject to safety recalls.

A redacted copy of the complaint we received, as well as Winnebago Industries, Inc.'s (Winnebago) safety recall notification to NHTSA is enclosed with this letter.

When documents are produced, the documents shall be produced in an identified, organized manner that corresponds with the organization of this information request letter (including all individual requests and subparts). INFORMATION REQUESTS

Please repeat the applicable request verbatim above each response. After your response to each request, identify the source of the information and indicate the last date the information was gathered.

1. Identify any and all notices or communications Lazydays RV received from Winnebago (including, but not limited to, notifications, service bulletins, stop sales instructions, reports, and letters, whether paper or electronic (such as through any Winnebago interactive network)) concerning safety recall 17V-108. For each notice or communication you identify, state: (a) its date; (b) the date Lazydays RV received it; (c) the type of the notice or communication (e.g., stop sale notice, recall notice, dealer bulletin, etc.); and (d) the number and/or the VINs of affected units Winnebago identified as within Lazydays RV's possession, if any.

Produce a copy of each notice you received and identified in response to this question, including any attachments or enclosures whether paper or electronic.

2. Produce copies of all communications, including any attachments or enclosures whether paper or electronic, other than those already identified and produced in your response to Information Requests No. 1, between Lazydays RV and Winnebago concerning safety recall 17V-108. For each such communication, state: (a) its date; (b) the date Lazydays RV received it; and (c) the type of the notice or communication (e.g., stop sale notice, recall notice, dealer bulletin, etc.).
3. Identify, by stating the model, model year, and vehicle identification number ("VIN"), each and every new vehicle subject to safety recall 17V-108 of which Lazydays RV had possession at any time from February 20, 2017 through present.

For each vehicle you identify, state the following:

- a. The date on which Lazydays RV took possession of the vehicle;
- b. The disposition of the vehicle (e.g., sold, leased, still in inventory, etc.);
- c. The date of the disposition you identified in (b);
- d. The date on which the vehicle left the possession of Lazydays RV (e.g., delivery date to purchaser);
- e. Whether the recall remedy was performed on the vehicle. "Recall remedy" refers to the inspection and repair procedures Winnebago instructed Lazydays RV to perform under the recall;
- f. The date on which the recall remedy was performed on the vehicle;

- g. The name and address of the entity that performed the recall remedy on the vehicle (e.g., Lazydays RV).

Provide your responses in a table in Microsoft Access or Excel entitled "Vehicles 17V-108."

4. Produce copies of all documents that evidence, substantiate, or are otherwise related to your responses to each item within the scope of Request No. 3. Organize the documents separately by VIN.
5. Provide any additional information Lazydays RV considers important for the agency to consider in reviewing and evaluating Lazydays RV's responses to any of the requests above. As one example, identify any anomalies in the data or documents and explain the reason(s) for those anomalies.

This letter is being sent to Lazydays RV pursuant to 49 U.S.C. § 30166(b) and (e), which authorizes NHTSA to conduct any investigation that may be necessary to enforce Chapter 301 of Title 49 and to request reports. It constitutes a new request for information. Lazydays RV's failure to respond promptly and fully to this letter could subject Lazydays RV to civil penalties pursuant to 49 U.S.C. § 30165 or lead to an action for injunctive relief pursuant to 49 U.S.C. § 30163. Section 5(a) of the TREAD Act, codified at 49 U.S.C. § 30165(b), provides for civil penalties of up to \$21,000 per day, with a maximum of \$105,000,000 for a related series of daily violations, for failing or refusing to perform an act required under 49 U.S.C. § 30166. This includes failing to respond to ODI information requests.

If Lazydays RV cannot respond to any specific request or subpart(s) thereof, please state the reason why it is unable to do so. All documents should be bates stamped unless they are to be provided in Microsoft Access or Microsoft Excel format. This includes documentation that Lazydays RV links electronically to any of the spreadsheets it produces in response to these requests. Unless otherwise stated, please provide documents in chronological order.
