Re: Audit of Safety Recall Campaign Completion for New Vehicles

Dear Mr. Garff:

We are writing Northwest Chrysler Jeep Dodge ("Northwest" or "your company") with a request for more information regarding audit query AQ17-004. As you may know, as part of our continuing investigation we issued a request for information to FCA LLC ("FCA"). We requested copies of the recall notices it supplied Northwest when recall 17V-301 was announced. We also requested FCA supply data on any vehicles Northwest handled between the years 2015 and 2017 where Northwest was provided recall notice about affected vehicles in its possession.

FCA responded to our letter and verified the recall notifications it supplied Northwest at the launch of recall 17V-301. FCA also supplied data for new vehicles Northwest handled for the years 2015 through 2017 where safety recall notices were provided to your company. This data identified three-hundred-thirty (330) vehicles possibly sold or leased and delivered under this recall, as well as other recalls dating back to 2015.

The purposed of this request is to ascertain additional information about the sale or lease and delivery of these three-hundred-thirty (330) vehicles.
