BELOW ARE THE "TERMS AND CONDITIONS" FOR THE SERVICING OF YOUR VEHICLE. PLEASE READ CAREFULLY

"YOU" are the person presenting a vehicle or towable for repair and authorizing the repairs to that vehicle or towable.

MISCELLANEOUS SHOP SUPPLIES AND CHARGES. TO ITEMIZE THE MISCELLANEOUS SUPPLIES AND MATERIALS USED ON EACH REPAIR WOULD CONSIDERABLY ADD TO YOUR COSTS AND LABOR CHARGES. A standard charge of 10% of the total labor charge, up to a maximum of \$50, is made on each repair order for these items. These charges are separate from our Specialty Shop supply charges (ie, Cabinet Shop, Chassis Shop, etc.).

DISPOSAL CHARGES: Per the state of Florida, (s. 559.904(4)), this charge represents costs and profits to the motor repair facility for miscellaneous shop supplies or waste disposal (s. 569.904) (4). The state of Florida requires a \$1.00 fee to be collected for each new tire sold in the state (s. 403.718), and a \$1.50 fee to be collected for each new battery or remanufactured battery sold in the state (s. 403.7185).

BODY SHOP ESTIMATE FEES: You will be charged a fee for the preparation of an estimate. The estimate fee will be based on time and materials involved.

DIAGNOSTIC FEES: In the event an estimate cannot be completed without diagnostic work, that work will be billed at the standard hourly rate, with a minimum charge of 0.5 hour.

CANCELLATION OF REPAIR WORK: In the event you cancel the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless you waive reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle, provided you were notified of these possible costs in the estimate prior to the commencement of the diagnostic work.

INSPECTION; LIMITED WARRANTY: You agree that you will carefully inspect all repaired or newly installed components and will notify Lazydays in writing, within 48 hours, if any service work has not been performed or has been performed improperly. Failure to provide timely notice will waive any claim that service work has not been adequately performed. Parts and labor are warrantied for 30 days or 3,000 miles, whichever comes first. If Lazydays' repair or replacement fails in normal service, and is reported, within the warranty period, Lazydays will fix it for free of charge at our facility. ANY WARRANTIES ON THOSE PRODUCTS SOLD ARE THOSE MADE BY THE MANUFACTURER OF THOSE PRODUCTS. THERE ARE NO OTHER WARRANTIES EXTENDED BY LAZYDAYS, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

MISCELLANEOUS TERMS: By signing this form you authorize the repair work set forth on the face of this document to be done. You agree that Lazydays and its employees may operate the vehicle for the purpose of testing, inspection and/or delivery at your risk. You agree that Lazydays is not responsible for loss or damage to the vehicle, or articles left in the vehicle, in case of fire, theft, or any other cause or for any delays caused by unavailability of parts or delays in parts shipments by the supplier or transporter. You hereby grant us, and our employees, permission to operate the vehicle described on streets, highways and elsewhere for the purposes of testing and/or inspection. An express mechanic's lien is hereby acknowledged on your vehicle to secure the amount of the repair.

APPLICABLE LAW, VENUE, and WAIVER OF JURY TRIAL AND ATTORNEY FEES: Our agreement to perform the service work described on the work order is governed by Florida law and any and all actions of any kind relating to the repair order and the repairs must be filed in Hillsborough County, Florida. You agree that any action will be tried by a judge, rather than a jury. You shall not be entitled to recover any

(Customer: [REDACTED])

Stock [REDACTED]
Date of Disposition: 11/13/2017
Date Vehicle Left Lazydays' Possession: 11/18/2017

The screenshot displays a vehicle management software interface. A 'Unit Lot History' window is open, showing a list of locations and dates. A blue arrow points from the 'Unit Lot History' window to the 'Unit Location Finder' window. The 'Unit Location Finder' window shows the 'Stock Number' and 'Tag Number' fields. The 'Unit Lot History' window shows a list of locations and dates. The background window shows a 'Repair # 1' with a 'Complaint' of 'DINETTE TABLE MISSING 5 LR'. The 'Warranty Information' section on the right shows 'Status: Eligible', 'Miles: 0', and 'Term: 0'. The 'Products' section shows a list of products with their respective prices and quantities.

Date Vehicle Left Lazydays' Possession: 5/18/2017

The screenshot displays a vehicle management software interface. A blue arrow points to the 'Unit Lot History' window, which lists various locations and dates. The 'Unit Location' window is also open, showing a list of locations. The main window shows 'Warranty Information' and 'Vehicle Info' tabs. The 'Warranty Information' tab is active, displaying details like Status (Eligible), Miles (0), and Term (0). The 'Vehicle Info' tab shows a list of products with columns for Unit, Total, Calc, Bin, E, and View.

Cash Out Date: 8/16/2017

Cash Drawer: cld-1

BELOW ARE THE "TERMS AND CONDITIONS" FOR THE SERVICING OF YOUR VEHICLE. PLEASE READ CAREFULLY

"YOU" are the person presenting a vehicle or towable for repair and authorizing the repairs to that vehicle or towable.

MISCELLANEOUS SHOP SUPPLIES AND CHARGES. TO ITEMIZE THE MISCELLANEOUS SUPPLIES AND MATERIALS USED ON EACH REPAIR WOULD CONSIDERABLY ADD TO YOUR COSTS AND LABOR CHARGES. A standard charge of 10% of the total labor charge, up to a maximum of \$50, is made on each repair order for these items. These charges are separate from our Specialty Shop supply charges (ie, Cabinet Shop, Chassis Shop, etc.).

DISPOSAL CHARGES: Per the state of Florida, (s. 559.904(4)), this charge represents costs and profits to the motor repair facility for miscellaneous shop supplies or waste disposal (s. 569.904) (4). The state of Florida requires a \$1.00 fee to be collected for each new tire sold in the state (s. 403.718), and a \$1.50 fee to be collected for each new battery or remanufactured battery sold in the state (s. 403.7185).

BODY SHOP ESTIMATE FEES: You will be charged a fee for the preparation of an estimate. The estimate fee will be based on time and materials involved.

DIAGNOSTIC FEES: In the event an estimate cannot be completed without diagnostic work, that work will be billed at the standard hourly rate, with a minimum charge of 0.5 hour.

CANCELLATION OF REPAIR WORK: In the event you cancel the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless you waive reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle, provided you were notified of these possible costs in the estimate prior to the commencement of the diagnostic work.

INSPECTION; LIMITED WARRANTY: You agree that you will carefully inspect all repaired or newly installed components and will notify Lazydays in writing, within 48 hours, if any service work has not been performed or has been performed improperly. Failure to provide timely notice will waive any claim that service work has not been adequately performed. Parts and labor are warrantied for 30 days or 3,000 miles, whichever comes first. If Lazydays' repair or replacement fails in normal service, and is reported, within the warranty period, Lazydays will fix it for free of charge at our facility. ANY WARRANTIES ON THOSE PRODUCTS SOLD ARE THOSE MADE BY THE MANUFACTURER OF THOSE PRODUCTS. THERE ARE NO OTHER WARRANTIES EXTENDED BY LAZYDAYS, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

MISCELLANEOUS TERMS: By signing this form you authorize the repair work set forth on the face of this document to be done. You agree that Lazydays and its employees may operate the vehicle for the purpose of testing, inspection and/or delivery at your risk. You agree that Lazydays is not responsible for loss or damage to the vehicle, or articles left in the vehicle, in case of fire, theft, or any other cause or for any delays caused by unavailability of parts or delays in parts shipments by the supplier or transporter. You hereby grant us, and our employees, permission to operate the vehicle described on streets, highways and elsewhere for the purposes of testing and/or inspection.

The screenshot displays the Winnebago Service Advisor application with several active windows:

- Main Window:** Contains fields for Document #, External Status (FINISHED), Service Tag #, Service Advisor (Black, William), Cust PO #, Department (2010 SVC - CLD Di), Entity Information, Search By (Last Name), Search:, Add/Info, Cust Waiting, and PDI Invoice.
- Unit Location Finder:** A modal window with Stock Number and Tag Number fields. It lists "k [redacted] 17 Winnebago Fuse" and "Loc: Co 1 Loc: Off Site-Delivered".
- Select New Location:** A table with columns "loc.", "Zone", and "Space". Rows include various locations like "Dump st", "Weight", "Return Cab", etc.
- Unit Lot History:** A table with columns "Location", "Date", and "Employee". It shows a history of lot assignments from 05/02/2017 to 04/16/2017, with employee "hnoel" listed.
- Warranty Information:** Includes Manufacturer details (Status: Eligible, Miles: 0, Term: 0) and Extended warranty options (Sold, Company, Contract Number, End Date, Miles, Term, Deductible: \$0.00, Phone #).
- Bottom Panel:** Features tabs for "Warranty", "Internal", "Add'l Info.", and "Job Costing". It includes a summary row: Shop Total \$0.00, Est Price: \$0.00.

A large blue arrow points from the left edge of the screen towards the Unit Lot History window.

Cashed Out By: (4327) Katie Britton

Cash Out Date: 5/12/2017

Cash Drawer: 1

BELOW ARE THE "TERMS AND CONDITIONS" FOR THE SERVICING OF YOUR VEHICLE. PLEASE READ CAREFULLY

"YOU" are the person presenting a vehicle or towable for repair and authorizing the repairs to that vehicle or towable.

MISCELLANEOUS SHOP SUPPLIES AND CHARGES. TO ITEMIZE THE MISCELLANEOUS SUPPLIES AND MATERIALS USED ON EACH REPAIR WOULD CONSIDERABLY ADD TO YOUR COSTS AND LABOR CHARGES. A standard charge of 10% of the total labor charge, up to a maximum of \$50, is made on each repair order for these items. These charges are separate from our Specialty Shop supply charges (ie, Cabinet Shop, Chassis Shop, etc.).

DISPOSAL CHARGES: Per the state of Florida, (s. 559.904(4)), this charge represents costs and profits to the motor repair facility for miscellaneous shop supplies or waste disposal (s. 569.904) (4). The state of Florida requires a \$1.00 fee to be collected for each new tire sold in the state (s. 403.718), and a \$1.50 fee to be collected for each new battery or remanufactured battery sold in the state (s. 403.7185).

BODY SHOP ESTIMATE FEES: You will be charged a fee for the preparation of an estimate. The estimate fee will be based on time and materials involved.

DIAGNOSTIC FEES: In the event an estimate cannot be completed without diagnostic work, that work will be billed at the standard hourly rate, with a minimum charge of 0.5 hour.

CANCELLATION OF REPAIR WORK: In the event you cancel the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless you waive reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle, provided you were notified of these possible costs in the estimate prior to the commencement of the diagnostic work.

GEN NOT WORKING WHEN ROOF AC IS TURNED ON : NOTED AT CHECK IN							
- [RC (Generator-01) Generator general repair] - [RC (Generator-01) Generator general repair]							
CAUSE: generator not working when roof ac is turned on.							
CORRECTION: generator is not supposed to be turned on when roof ac is turned on. you are supposed to turn off the roof ac then turn the generator on.							
also battery disconnect was off so generator was not getting proper amperage to start. turned on disconnect, turned off ac and started generator. no problem with generator. 4604 10/13/15

The screenshot displays a vehicle management software interface. A blue arrow points to the 'Unit Lot History' window, which is a table listing vehicle locations and dates. The table has columns for Location, Date, and Employee. The first row shows 'D009' at '02/09/2015' by 'Cwells'. Subsequent rows show 'Off Site-Delivered' and 'S Lot-S78' with various dates in 2015. The 'Unit Location Finder' window is also visible, showing a search for 'Unit Loc. Co 1 Loc. D009'. The 'Select New Location' window is open, displaying a list of locations with columns for Unit Loc., Zone, and Space. The 'Warranty Information' window is also visible, showing fields for Manufacturer, Status, Miles, Term, and Deductible. The main interface includes a menu bar (File, View, Tools, Program, Help, Messaging, Task, Reporting) and a document header with fields for Document #, External Status, Service Tag #, Service Advisor, and Cust PO #.
