Larry-

Per our discussion on the phone on 2-Jun-2017 I understand that the delay on Questions 2-4 stems from your manual review of a large volume of records for responsiveness and presume that this evaluation would inform your response to Question 13.

We concur with the due date extension as requested and look forward to the interim submission on the original due date.

Please keep us informed on your progress.

Thanks

Greg

Subject: Request for RQ17-002 due date extension

Hi Greg,

Per our discussion Friday afternoon, I am writing for a request to extend the due date for RQ17-002. We would like to extend the due date to June 30, 2017 for the final submission.

We plan on submitting responses to all questions except Q2, Q3, Q4 and Q13 on June 12.

Thanks,
Larry
