Re: Polaris, PE17-005 – Amended IR Response

Dear Mr. York:

This is in further response to your letter received September 29, 2017, addressed to my colleague, Ryan Bigot. Today, at NHTSA's request, we are submitting additional information—specifically, a confidential investigatory report, a CDR download, and two police reports.

Because the investigatory report consists of confidential business information, Polaris is submitting it through the Office of Chief Counsel. I am enclosing the non-confidential information in this submission.

If you have any further question about this matter, please do not hesitate to contact me. If you wish, Polaris would be willing to meet with you at a mutually convenient time.

Respectfully,

S. Mike Gentine, Esq. (Maryland)
Regulatory Affairs Attorney
Polaris Industries, Inc.
