Re: Request for Confidential Treatment of Information Submitted in Response to DP18-003 (Non-Crash Fires (MY) 2011-2014 Kia Optima and Sorento

Dear Mr. Matheke:

On behalf of Kia Motors America, Inc. and Kia Motors Corporation (Collectively "Kia"), Kia Motors America, Inc. ("KMA") hereby requests that certain documents submitted in its supplemental response to DP18-003 be treated as confidential. Two (2) confidential copies are being submitted as Kia is seeking confidential treatment of the documents in their entirety. In accordance with 49 C.F.R. 512.3(c), confidential business information includes trade secrets or commercial or financial information that is privileged or confidential as described in the Freedom of Information Act. See 5 U.S.C. 522(b)(4). Commercial information is considered confidential if it has not been publicly disclosed and if its release is likely to cause substantial harm to Kia's competitive position. 49 C.F.R. 512.3.

The documents for which Kia is seeking confidentiality were prepared by Kia and contain design, specifications and evaluations that it claims is confidential business information. Specifically, Kia submitted the following:

- The summary chart and evaluation/investigation documents submitted in response to Request No. 8 of Kia's response to DP18-003, dated October 31, 2018 (Tab 12) and
- The summary chart listing the modifications made in response to Request No. 9 of Kia's response to DP18-003, dated October 31, 2018 (Tab 13).

These documents were prepared by Kia and contain both trade secrets and/ or confidential information that, if made public, would cause substantial harm to Kia's competitive position in the market, which, if disseminated, would allow Kia's competitors the benefit of knowing its design, specifications and evaluations.
