INFORMATION REDACTED PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

IDENTIFICATION OF ATTACHMENTS

Attachment	Description	Confidential	Basis for Confidential Request	Length	Affidavit(s)	Encrypted	Encryption Key
Attachment-Response 1.xlsx	Production Data	No	-	-	-	Yes	[redacted]
Attachment-Response 2 (Attachment - Response 2-1.pdf Attachment - Response 2-2.pdf)	Related/May Relate cases for consumer complaints, field reports, reports involving crash/injury/fatality, property damage claims, 3rd party arbitration, lawsuts	No	-	-	-	No	-
Attachment-Response 3.xlsx	Data related to consumer complaints, field reports, reports involving crash/injury/fatality, property damage claims, 3rd party arbitration, and lawsuts related in Request No. 2.	No	We assume NHTSA will redact PII as appropriate.	-	-	Yes	[redacted]
Attachment-Response 4: Claims and Notices [redacted]	Legal Claims	No	We assume NHTSA will redact PII as appropriate.	-	-	No	-
Attachment-Response 4: Consumer Complaints CaseActivityReport_[redacted]	Copies of consumer complaints (Personal Identifiable Information	No	We assume NHTSA will redact PII as appropriate.	-	-	No	-
Attachment-Response 4: Field Reports TQCN_FTR[redacted] Conf Bus Info) TQCN_FTR[redacted] Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR-[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR-[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR[redacted] Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR[redacted] (Conf Bus Info) TQCN_FTR-[redacted] (Conf Bus Info) TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments TQCN_FTR[redacted] Attachments	Field Reports	Yes	Contains information regarding engineering design specifications, internal analyses, quality control and product evaluation process.	Permanent	Toyota	No	-
Attachment-Response 4: Field Concern Reports TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR-[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report TQCN_FTR[redacted] Field Concern Report	Field Concern Reports	Yes	Contains information regarding engineering design specifications, internal analyses, quality control and product evaluation process.	Permanent	Toyota	No	-
Attachment-Response 5 Entire response including in Attachment-Response 5 Folder (Conf Bus Info) is Confidential Business Information Due to extensive document list, all files are not listed here. Refer to the Folder "Attachment-Response 5" for all related materials.	Assessments, analyses, tests, test results, studies, surveys, simulations, investigations, inquires, etc. that relate to or may relate to alleged defect.	Yes	Related documents include information on: - Internal analyses, testing, investigations, evaluations - Product evaluation information - Supplier and OEM testing practices and philosophies - Supplier information - Internal vehicle performance evaluation reports	Permanent	- Toyota - ZF-TRW - Denso	No	-
Response 6 All responsive materials for Response 6 are included in the materials provided as part of Response 5.	Assessments, analyses, tests, test results, studies, surveys, simulations, investigations, inquires, etc. that relate to or may relate to alleged defect.	Yes	Related documents include information on: - Internal analyses, testing, investigations, evaluations - Product evaluation information - Supplier and OEM testing practices and philosophies - Supplier information - Internal vehicle performance evaluation	Permanent	- Toyota - ZF-TRW - Denso	No	-
Response 7	As discussed with the Office of Defects Investigation on August 22, 2019, Toyota requested and was granted an extension until September 13, 2019 to respond to this Request with available information.						
Attachment-Response 8 Attachment-Response 8-1 (Conf Bus Info) Attachment-Response 8-2 (Conf Bus Info)	Modifications or Changes	Yes	Includes Toyota design specification and descriptions of modifications or changes that could create competitive harm if released.	Permanent	Toyota TRW	No	-
Response 9	As discussed with the Office of Defects Investigation on August 22, 2019, Toyota requested and was granted an extension until September 13, 2019 to respond to this Request with available information.						
Response 10	As discussed with the Office of Defects Investigation on August 22, 2019, Toyota requested and was granted an extension until September 20, 2019 to respond to this Request with available information.						
Endnote Attachment-Response Endnote [redacted] Attachments (Conf Bus Info) [redacted] (Conf Bus Info) TQCN_DPR[redacted] (Conf Bus Info) TQCN_FCR[redacted] (Conf Bus Info) [redacted] (Conf Bus Info) [redacted] Attachments (Conf Bus Info) [redacted]_Final Reply (Conf Bus Info) TQCN_DPR[redacted] (Conf Bus Info) TQCN_FCR[redacted] (Conf Bus Info)	Dealer Reports and Supplier Returned Parts Module Analysis Reports	Yes	Contains information regarding engineering design specifications, internal analyses, quality control and product evaluation process.	Permanent	Toyota ZF-TRW	No	-
