Re: NEF-108sd; DI18-087

Dear Mr. Yon:

This letter is being sent in response to your September 17, 2018 letter requesting information on specific incidents alleging that an injury or a fatality from the 2nd Quarter 2018 Toyota light vehicle early warning reports.

Please find the enclosed response to your inquiry and attachments (on DVD-RW) for the specific sequence IDs requested. The responses to Questions 1-4 for each sequence ID are based on information available to Toyota as of the date noted in the responses. Toyota is not asserting a privilege claim concerning the specific information in these responses. It is not waiving any future rights in this regard.

Toyota understands that NHTSA will protect any private information about persons that is contained in the attachments to this response, based on privacy considerations. Such private information includes data such as names, addresses, phone or fax numbers, email addresses, license plate numbers, driver's license numbers and the last 6 digits of a vehicle's VIN.

If you have any questions about this response, please contact the Vehicle Safety and Compliance Liaison Office.

Sincerely,

Cory Hoffman
