Features and Benefits

- Sipe in groove design prevents pebbles from getting stuck and improves mud extraction performance.
- Open outside shoulder design improves off-road performance with optimal mud extraction and heat reduction.
- Zig-zag sipe design increases all-season and braking performance.
- Total Coverage Warranty: 65000 mile warranty on P-Metric sizes (80000km Canada), 40000 mile warranty on LT sizes (60000km Canada), Road Hazard (First 2/32" or 1 years) and Road Side Assistance (36 months Free Tow & Tire Change). See warranty brochure for specific details.

Pricing good through 7/31/2019.

Pricing is not guaranteed as it changes month to month and is based on your delivery date..
