SUBSTITUTION OF COLLATERAL: [REDACTED]

Kia Motors America, Inc (KMA) is attempting to perform a Substitution of Collateral (SOC) for the above customer:

- The customer is being instructed to come to your dealership and pick out a vehicle (like vehicle only, any upgrade may result in an additional financial obligation by the customer)
- Once the customer has picked a vehicle, please hold the vehicle. **DO NOT PLACE THE CUSTOMER IN THE NEW VEHICLE AT THIS TIME** because several issues must still be resolved, including lender approval
- Please forward a copy of the dealer invoice for the vehicle on hold to me
- I will then contact the lienholder (if applicable) for authorization to perform the SOC
- If approved, I will fax you a "trade out authorization form" which is the agreement between KMA and your dealership for KMA to pay for the new vehicle

Once the customer, dealer, KMA, and lienholder (if applicable) have all agreed to the terms, KMA will then contact our outside vendor (Morley) to schedule the transaction. Once Morley has been scheduled, we will process the request for payment to your dealership. This payment generally takes 30-60 days and will be credited to your Dealer Parts Statement. Below is a breakdown of the Morley steps:

1. Morley contacts customer and dealer to schedule the vehicle exchange
2. Morley sends an agent to your facility to perform the SOC (ensure the proper documents are signed, the turn-in vehicle is inspected for damage, and the replacement vehicle is delivered)
3. Morley follows-up with the Service Manager for any repairs and/or recalls necessary to the turn-in vehicle. Additionally, they will brand the vehicle's title.
4. Once any repairs and/or recalls are completed to the vehicle, Morley will send a transportation company to pick-up the turn-in vehicle

Please acknowledge that you have read the above and understand the surrendered vehicle does belong to KMA.

IMPORTANT DISCLOSURES FOR ACTIVE MEMBERS OF THE MILITARY AND THEIR DEPENDENTS:

The following applies if at the time of this loan you are a member of the military or a dependent (as those terms are defined in the Military Lending Act, 10 U.S.C. 987 and its implementing regulations), and: (a) your loan is unsecured or secured by personal property or a vehicle that you did not purchase with the proceeds of the loan; or (b) this loan is made for the purchase of a vehicle or personal property, and you also receive additional "cash out" financing (e.g., to pay off negative equity on a trade-in or you otherwise receive additional cash).

- NOTICE:** Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this notice verbally, please call 1.800.995.2711 during our normal business hours Monday through Saturday.
- This loan will not be secured by a consensual lien on shares or deposits in any of your accounts unless you specifically agree to establish an account in connection with this loan ("Secured Account"). Only funds deposited into the Secured Account after the loan is made will secure this loan. Any cross-collateralization provision contained in your loan or membership documents will not apply to the Secured Account or your other share or deposit accounts for any loan subject to the Military Lending Act. However, with regard to this loan, we still reserve our statutory lien rights and any resulting rights to set-off or administrative freeze under federal or state law, which gives us the right to apply the sums in the Secured Account or any other account(s) you have with us to satisfy your obligations under this loan. Any contract terms in your loan, security, or membership agreements that contradict the above with regard to this loan are hereby deleted.
- This loan is not subject to mandatory arbitration and therefore any reference to mandatory arbitration in this Loan Agreement and Security Agreement shall not apply to this loan.
- If you are a Louisiana resident, the Louisiana-specific provisions contained in the Security Agreement do not apply to this loan.

IN THESE AGREEMENTS, THE WORDS "I," "ME," "MY" AND "MINE" MEAN ALL THOSE NAMED AS BORROWERS. THE WORDS "YOU," "YOUR" AND "YOURS" MEAN THE CREDIT UNION.

Payments/Finance Charges: For value received, I promise to pay, at your office, all amounts due. Interest shall accrue on a daily basis at the rate of 4.80 % per year. All payments shall be made pursuant to the disclosure statement on page 1 of this document. I understand that the finance charge and total of payments shown on page 1 of this document are based on the assumption that all installment payments will be made on the scheduled due dates. If I fail to pay any installment by the time it is due, I will pay additional interest on the overdue amount and my loan may not be paid in full at the end of the term. In such case, any remaining balance will be due in full immediately.

Allocation of Payments and Additional Payments: Payments and credits shall be applied in the following order: any amounts past due; any fees or charges owing, including any fees or premiums for additional products purchased; accrued interest or finance charges; outstanding principal. Payments made in addition to regularly scheduled payments shall be applied in the same order.

Fees: If I make a late payment, I agree to pay a late charge if one is disclosed on page 1 of this document. Additionally, I agree to pay the following fees:

Returned Item Fee: \$ 29.00 if my payment is returned unpaid for any reason.

Other: N/A \$ N/A

Borrower Responsibility: I promise to notify you of any change in my name, address or employment. I promise not to apply for a loan if I know there is a reasonable probability that I will be unable to repay my obligation according to the terms of the credit extension. I promise to inform you of any new information which relates to my ability to repay my obligation. I promise not to submit false or inaccurate information or willfully conceal information regarding my creditworthiness, credit standing, or credit capacity.

Default: *The following provision applies to Borrowers in Idaho, Kansas, and Maine:* I will be in default if (1) I do not make a payment of the required amount when due; or (2) you believe the prospect of payment, performance, or realization on any property given as security is significantly impaired.

The following provision applies to Borrowers in Wisconsin: I shall be in default under this Agreement if any of the following occur: (a) If an amount exceeding one (1) full payment due under this Agreement is more than ten (10) days late or if the first or last payment due under this Agreement is more than forty (40) days late; OR (b) I breach any term or condition of this Agreement, which breach materially impairs my ability to pay amounts when due or materially impairs the condition, value, or protection of your rights to or in any Collateral securing this transaction.

The following provision applies to all other Borrowers: I shall be considered in default if any of the following occur: (1) If I break any promise made under this Loan Agreement or under the Security Agreement; or (2) If I do not use the money you loaned me for the purpose stated in my application; or (3) If you should, in good faith, believe that prospect of payment, performance or realization of the Collateral, if any, is impaired; or (4) If I die; or (5) If I file a petition in bankruptcy, insolvency, or receivership or am put involuntarily into such proceedings; or (6) If the Collateral, if any, given as security for this loan is lost, damaged or destroyed, or if it is levied against, attached, garnished, or seized for any reason under any authority; or (7) If I do not pay on time any of my current or future debts to you; or (8) If anyone is in default of any security agreement given in connection with this Agreement; or (9) If I make any false or misleading statements in any credit application or update of credit information; or (10) I am in default of any other loan or security agreement I have with the Credit Union; or (11) I use the Agreement for any illegal purpose or transaction as determined by applicable law. If I default, you may, at your option, declare this loan immediately due and payable, and I must immediately pay to you at that time the total unpaid balance, as well as the Finance Charge to date, any late charges and costs of collection permitted under law, including reasonable attorney's fees.

Costs of Collection: *The following applies to all loans except those subject to the Wisconsin Consumer Act:* I shall pay all costs incurred by you in collecting any amount I owe or in enforcing or protecting your rights. Costs of collection include, but are not limited to, collection agency fees, repossession fees, appraisals, environmental site assessments, and casualty insurance. Costs of

collection also include reasonable attorney's fees for any action taken by an attorney who is not your salaried employee in order to collect this loan or preserve or protect your rights and remedies, including, without limitation, pre-suit demands for payment, pre-suit mediation or settlement negotiations, investigation and assessment of your rights, participation in bankruptcy cases, matters, and proceedings (including, without limitation, filing proofs of claim, pursuing reaffirmation agreements, attending meetings of creditors, and pursuing complaints, motions, and objections that relate in any way to the Credit Union's collateral or right to payment), collateral disposition, non-bankruptcy suits and/or administrative actions, and appeals. *For Alabama Borrowers:* attorney's fees after default shall not exceed 15% of the unpaid debt, or such higher amount as a court may allow. *For Georgia Borrowers:* attorney's fees shall not exceed 15% of principal and accrued interest, or such higher amount as a court may allow.

The following applies to all loans subject to the Wisconsin Consumer Act: I shall pay the reasonable expenses incurred in the disposition of the collateral, such other charges specifically authorized by the Wisconsin Consumer Act, and any costs or expenses of collection allowed by a court of competent jurisdiction. If the collateral for the loan is a motor vehicle as defined by the Wisconsin Consumer Act, I may also be required to pay (1) the expenses of taking and holding the collateral if paid to someone other than the creditor; travel and transportation expenses in taking possession of the collateral; or (2) if the collateral is not redeemed, the greater of (1) the sum of the following: expenses for cleaning and restoring the appearance of the collateral, not to exceed \$100; expenses for repair of damage to the collateral if covered by insurance, not to exceed the lesser of any deductible or \$250; expenses for mechanical repairs to the collateral, not to exceed \$200; or (2) expenses for any repair to the collateral which increase the selling price of the collateral, not to exceed the amount of the increase.

Action Upon Default: *The following provision applies to Borrowers in Colorado, District of Columbia, Kansas, Maine, Massachusetts, Missouri, Nebraska, and West Virginia:* Once I have defaulted, and after the expiration of any right I may have under applicable state law to cure my default, you can demand immediate payment of the entire unpaid balance of the loan without giving me advance notice. The principal balance in default shall bear interest at:

- ☒ the contract rate
☐ the rate of _____ %.

The following provisions apply to Borrowers in Wisconsin:

Right to Cure Default: If I am in default under this Agreement, you must give a notice of default to me pursuant to Wisconsin Statutes sec. 425.104 425.105. In the event of an uncured default, you shall have all the rights and remedies for default provided under the Wisconsin Consumer Act, Uniform Commercial Code, or other applicable law, including, but not limited to, the right to repossess the Collateral. You may waive any default without waiving any other subsequent or prior default by me.

The following provision applies to Borrowers in all other states: Once I have defaulted, you may, at your option, declare all amounts under the Agreement immediately due and payable, and I must immediately pay to you at that time the total unpaid balance, as well as the Finance Charge to date, any late charges and costs of collection permitted under law, including reasonable attorney's fees. The principal balance in default shall bear interest at the contract rate.

No lien or right to impress a lien on shares and deposits shall apply to any of my shares which may be held in an "Individual Retirement Account" or "Keogh Plan."

State Notices:

NOTICES TO WISCONSIN BORROWERS: No provision of a marital property agreement, a unilateral agreement under Wis. Stat. Section 766.59, or a court decree under Wis. Stat. 766.70 adversely affects the interest of the Credit Union unless prior to the time the credit is extended, the Credit Union is furnished with a copy of the agreement or statement, or has actual knowledge of the adverse provision when the obligation to the Credit Union is incurred.

NORTH DAKOTA NOTICE TO BORROWERS PURCHASING A MOTOR VEHICLE - THE MOTOR VEHICLE IN THIS TRANSACTION MAY BE SUBJECT TO REPOSSESSION. IF IT IS REPOSSESSED AND SOLD TO SOMEONE ELSE, AND ALL AMOUNTS DUE TO THE SECURED PARTY ARE NOT RECEIVED IN THAT SALE, THE BORROWER MAY HAVE TO PAY THE DIFFERENCE.

NOTICE TO UTAH BORROWERS: This written agreement is a final expression of the agreement between me and the Credit Union. This written agreement may not be contradicted by evidence of any oral agreement.

NOTICE FOR ARIZONA OWNERS OF PROPERTY: It is unlawful for a Borrower to fail to return a motor vehicle that is subject to a security interest within thirty days after I have received notice of default. The notice will be mailed to the address I provided on this document unless I have given the Credit Union a new address. It is my responsibility to notify the Credit Union if my address changes. The maximum penalty for unlawful failure to return a motor vehicle is one year in prison and/or a fine of \$150,000.

NOTICE TO CALIFORNIA RESIDENTS: By signing this Agreement, I specifically agree that the Credit Union may access the records of the California Department of Motor Vehicles from time to time to obtain my current mailing address, and by so agreeing, I am specifically waiving my rights under sections 1800.21 and 1800.22 of the California Vehicle Code.

NOTICE TO TEXAS BORROWERS- INSURANCE REQUIRED: I am required to: (i) keep the Collateral insured against damage in the amount of the loan or another amount if you so specify; (ii) purchase this insurance from an insurer that is authorized to do business in the state of Texas or an eligible surplus lines insurer; and (iii) name you as the person to be paid under the policy in the event of a loss. I must also provide you a copy of the policy and proof of the payment of premiums if you so request. If I fail to meet any of these requirements, you may obtain Collateral protection insurance on my behalf at my expense.

For Missouri Residents: Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect me (Borrower) and you (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

For Vermont Residents: NOTICE TO CO-BORROWER: YOUR SIGNATURE ON THIS LOAN MEANS THAT YOU ARE EQUALLY LIABLE FOR REPAYMENT OF THE LOAN. IF THE BORROWER DOES NOT PAY, THE LENDER HAS A LEGAL RIGHT TO COLLECT FROM YOU.

OHIO RESIDENTS ONLY: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

WASHINGTON AND OREGON RESIDENTS ONLY:

WARNING: UNLESS I PROVIDE YOU WITH EVIDENCE OF THE INSURANCE COVERAGE AS REQUIRED BY YOUR LOAN AGREEMENT, YOU MAY PURCHASE INSURANCE AT MY EXPENSE TO PROTECT YOUR INTEREST. THIS INSURANCE MAY, BUT NEED NOT, ALSO PROTECT MY INTEREST. IF THE COLLATERAL BECOMES DAMAGED, THE COVERAGE YOU PURCHASE MAY NOT PAY ANY CLAIM I MAKE OR ANY CLAIM MADE AGAINST ME. I MAY LATER CANCEL THIS COVERAGE BY PROVIDING EVIDENCE THAT I HAVE OBTAINED PROPER COVERAGE ELSEWHERE. I AM RESPONSIBLE FOR THE COST OF ANY INSURANCE PURCHASED BY YOU. THE COST OF THIS INSURANCE MAY BE ADDED TO MY LOAN BALANCE. IF THE COST IS ADDED TO THE LOAN BALANCE, THE INTEREST RATE ON THE UNDERLYING LOAN WILL APPLY TO THIS ADDED AMOUNT. THE EFFECTIVE DATE OF COVERAGE MAY BE THE DATE MY PRIOR COVERAGE LAPSED OR THE DATE I FAILED TO PROVIDE PROOF OF COVERAGE. THE COVERAGE YOU PURCHASE MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE I CAN OBTAIN ON MY OWN AND MAY NOT SATISFY WASHINGTON'S AND OREGON'S MANDATORY LIABILITY INSURANCE LAWS.

SECURITY AGREEMENT

Security Interest; PLEDGE OF SHARES; Statutory Lien; Set-off; Administrative Freeze: To secure the payment of this loan and all expenditures incurred by the Credit Union in connection with this loan: (a) I grant the Credit Union a security interest in the property described on Page 1 of this document ("Collateral"). The security interest includes all increases, substitutions and additions to the secured property, proceeds from any insurance on the secured property and all earnings received from the secured property. The security interest also includes all accessions. Accessions are things which are attached to or installed in the property now or in the future. The security interest also includes any replacements for the property which I buy within 10 days of the loan or any extensions, renewals or refinancing of the loan. If the value of the property declines, I promise to give you more security if asked to do so. I also agree to abide by the terms of the Security Agreement. (b) I GRANT AND PLEDGE TO YOU A CONSENSUAL LIEN ON ALL SUMS ON DEPOSIT to secure my obligations to the Credit Union pursuant to applicable state law. "All sums on deposit" and "shares" for purposes of this pledge means all deposits in any share savings, share draft, club, certificate, P.O.D., revocable trust or custodial account(s), whether jointly or individually held, that you have on deposit now or in the future, all of which are deemed "general deposits" for the purpose of this pledge. My pledge does not include any IRA, Keogh, tax escrow, irrevocable trust or fiduciary account in which I do not have vested ownership interest. (c) I acknowledge and agree to impressment of the Credit Union's statutory lien rights under the Federal Credit Union Act and/or applicable state law as of the date of my loan, which gives you the right to apply the sums in my account(s), to satisfy any obligations I owe to the Credit Union, regardless of contributions at the time of default, and without further notice to me or any owner of the account(s). (d) I acknowledge and agree to your "common law" right to set off under applicable state law which authorizes you to apply the funds in any joint or individual account to any obligations owed to you if I default or fail to pay or satisfy any obligation to you without any legal process, court proceeding or any notice to any owner of the account(s) affected hereunder or otherwise under this Agreement. (e) I specifically agree that you have a right to place an administrative freeze on any of my joint or individual account(s) and that such action shall not violate 11 USC 362 or other applicable law.

Multiple Rights; Cumulative Remedies: I understand and agree that the Credit Union has multiple rights as enumerated above and that the remedies are cumulative. Nothing herein shall limit or restrict the remedies available to you following any event of default under the terms of my loan documents.

Cross-collateralization: Property given as security for this loan or for any other loan Borrower has with the Credit Union will secure all amounts Borrower owes the Credit Union now and in the future. However, property securing another debt will not secure this loan if such property is Borrower's principal residence (unless the proper rescission notices are given and any other legal requirements are satisfied), or are non-purchase money household goods.

Release of Lien: You will not release any lien on any Collateral under this Agreement if I am delinquent on, or in default on, any other loan I have with you. For example, if I am in default on a line of credit, you will not release your lien on a vehicle loan, even if the vehicle loan is current or paid in full.

Transfer of Collateral: I will not change the location of, sell or transfer the Collateral unless I have your prior written consent.

Good Title: I warrant that I have good title to the Collateral, free of all security interests except that given to the Credit Union and except for any interest of a non-Co-Borrower owner of the Collateral who has signed the Agreement in the indicated place.

BORROWER'S NAME

LOAN NUMBER

DATE OF LOAN

05/08/2017

IN THESE AGREEMENTS, THE WORDS "I," "ME," "MY" AND "MINE" MEAN ALL THOSE NAMED AS BORROWERS. THE WORDS "YOU," "YOUR" AND "YOURS" MEAN THE CREDIT UNION.

Maintenance of Collateral: I will pay all taxes, assessments, and liens against or attached to the property described and further agree to keep the property in good condition, housed in a suitable shelter. I agree to execute financing statements and security agreement amendments at your request and will defend the property against adverse third party claims.

Additional Security: Should you feel at any time that the security presented has diminished in value, or for any reason feel that additional security is required, I agree to assign to you within ten (10) days of your request whatever additional security you feel is necessary to protect yourself against possible loss.

Actions Upon Default: If a default as defined in the Loan Agreement should occur, you, or a third party designated by you, have the authority, upon such default, to repossess and sell the Collateral in a lawful manner. This includes authority to take possession of any personal property contained in the Collateral. In such cases, you or your authorized representatives may, at your option, enter the premises where the Collateral is kept and take possession, subject to applicable laws. You have the right to render the property pledged as Collateral unusable and may dispose of the Collateral on the premises where the Collateral is kept. If you decide to sell the Collateral at a public sale, private sale or otherwise dispose of the Collateral, you will provide reasonable notice if required by law and will otherwise comply with applicable state law. Unless I default, I may keep possession of the Collateral described and use it in any lawful manner consistent with this Agreement or with the insurance policy on the Collateral. I understand that you have certain rights and legal remedies available to you under the Uniform Commercial Code and other applicable laws, and that you may use these rights to enforce payment if I default. In the event of default, I will at your request assemble the Collateral and make it available to you at a place of your choosing. If you decide to waive this default, it will not constitute waiver of any other subsequent defaults. *The following applies to all loans except those subject to the Wisconsin Consumer Act:* If you sell or otherwise dispose of the collateral you may collect from me reasonable expenses incurred in the retaking, holding and preparing the collateral for and arranging the sale of the collateral. You may also collect reasonable attorney's fees and legal expenses, permitted by applicable law, incurred in connection with disposition of the property. *The following applies to loans subject to the Wisconsin Consumer Act:* If you sell or otherwise dispose of the collateral you may collect from me reasonable expenses incurred in the disposition of the collateral and such other charges as are specifically authorized by the Wisconsin Consumer Act. If the collateral is a motor vehicle, I may also pay additional expenses as set forth in Wisconsin Consumer Act §422.413.

Attorney-in-Fact: You are hereby appointed as my Attorney-in-Fact to perform any acts which you reasonably feel are necessary to protect the Collateral and the security interest which this Agreement creates.

Joint Borrowers: If there is more than one Borrower, our obligations under this Agreement are joint and several, each being equally responsible to fulfill the terms of this Agreement.

Other Owners: A person signing this Agreement as an Other Owner grants you a security interest in the Collateral and agrees to the terms of the Loan Agreement and Security Agreement, but shall not be personally liable to repay the debt. This means that if the Borrower defaults, the Collateral may be repossessed, sold, or otherwise used to satisfy the debt. The Other Owner also agrees that you may extend new credit or otherwise change the terms of this Agreement without notice to the Other Owner.

Others Bound: This Security Agreement not only binds me, but my executors, administrators, heirs, and assigns.

Further Assurances: I agree to execute any further documents, and to take any further actions, reasonably requested by Credit Union in order to evidence or perfect the security interests granted herein or to effectuate the rights granted to Credit Union.

Governing Law: This Security Agreement is being executed and delivered in, and is intended to be performed in, the State of TX and shall be construed and enforced in accordance with federal law and the laws of the State of TX, except to the extent that the Uniform Commercial Code provides for the application of the law of another state.

Additional Advances: Any additional advances made by you for the payment of taxes or assessments or liens of any kind, or premiums on insurance and the interest owing thereon or any other advance necessary to perfect or protect your security interest shall also be secured by this agreement. Such amounts shall be added to my loan balance and my minimum payment due shall be increased or my loan term extended accordingly.

Applies to Louisiana residents only:

Louisiana law permits repossession of motor vehicles upon default without further notice or judicial process.

If the secured Collateral is a motor vehicle and I am in default, you may seize and sell the motor vehicle without demand for payment or advance notice to me. Collateral other than motor vehicles may be repossessed without judicial process only as allowed by applicable Louisiana law.

For purposes of foreclosure under Louisiana executory process, I hereby confess judgment in your favor for all amounts secured by the Agreement, including, but not limited to, principal, interest, late charges, costs of collection, costs of preservation of the Collateral, reasonable attorney's fees, and all other amounts under the Agreement. You may appoint a keeper of the property in the event of foreclosure. To the extent allowed under Louisiana law, I hereby waive the following rights and procedures under Louisiana law: (a) all rights and benefit of appraisal; (b) notice of seizure; (c) the 3-day delay afforded under Articles 2331 and 2722; and (d) all other

provisions under Articles 2331, 2722 and 2723 and all other Articles not specifically mentioned herein. I further agree that any declaration of fact made by authentic act by a person declaring that such facts are within his or her knowledge shall constitute authentic evidence of facts for the purposes of foreclosure under applicable Louisiana law and for the purposes of LSA-R.S. 9:3504(D)(6) and LSA-R.S. 10:9-508, to the extent applicable.

PROPERTY INSURANCE; LENDER-PLACED INSURANCE - PLEASE READ CAREFULLY

(a) My requirement to maintain property insurance. I am required to carry insurance to protect my interest and your interest in the collateral securing this loan. The insurance:

- Must protect against any loss by fire or theft, and collision and comprehensive coverage on motor vehicles and other property pledged as security on this loan.
- Must (i) be in an amount and type sufficient to repair the collateral to its existing condition prior to the loss, and/or to replace the collateral with comparable or like property, minus depreciation, if it is damaged or lost; or (ii) be in an amount and type as you might otherwise inform me that you require.
- Must have a maximum deductible as set forth by you.
- Must be maintained in force for as long as the loan is outstanding.
- Must name you as loss payee. You must receive the loss payee endorsement within 30 days of my loan date.

These requirements are solely in your discretion and you may change any of these requirements at any time for any reason. The insurance may be obtained by any insurer of my choice that is acceptable to you.

(b) Lender-placed property insurance. Please read carefully:

- If I fail to maintain insurance satisfying the requirements set forth above, or if I fail to provide you proof of such coverage, you may, but do not have to, obtain insurance to protect your interest (not mine) in the property.
- The total cost of lender-placed insurance will be added to the loan balance. The total cost of this insurance includes, but is not limited to, the premium, any administrative costs you incur, any commissions that may be earned, and other reasonable expenses related to my failure to maintain insurance. This cost will be paid by me either on demand, or by increasing my periodic payment, or by extending the loan term.
- Whether you obtain insurance, and the amount and types of coverage that you may obtain, is solely in your discretion. You may obtain this insurance from anyone you want, including an affiliate of yours, and such affiliate may earn a commission on the coverage.
- The insurance placed by you is without benefit to me personally, and is primarily for your protection. It may not adequately protect my interest in the collateral or any personal property contained in the collateral, and will not satisfy any mandatory liability or financial responsibility requirements under state law.
- Coverage obtained by you may be considerably more expensive than coverage I could obtain on my own and may be different than previous policies I may have had or policies that I may prefer.
- Any insurance placed by you will be effective as of the date my policy lapsed or, if I never obtained insurance, the date of the loan.
- Nothing in this agreement is intended to confer third-party beneficiary rights or status to me with respect to any agreements between you and your insurer or its agent.

(c) How to remove lender-placed property insurance. I may have the lender-placed coverage cancelled at any time by providing evidence to you that I have purchased insurance coverage satisfying the requirements set forth above. If I do so, I will receive a refund of any unearned premiums and finance charges on the lender-placed coverages and my loan balance will be adjusted accordingly.

(d) Other. I assign you the right to receive and endorse any insurance proceeds check, to apply those proceeds to the sums I owe, and I direct any insurer to pay those proceeds directly to you. I further authorize you or your representative to obtain the necessary information for verification of adequate coverage. You, or your affiliates, may receive compensation or reimbursement of expenses related to any insurance premiums added by you.

(e) Default. If I fail to maintain insurance as set forth above, I will be in default of my loan. You may either place your own insurance on the collateral as explained above, or you can declare me in default and take all remedies set forth in my loan or security agreement or available to you under applicable law, including calling the loan immediately due.

**NOTICE TO GUARANTOR
AND AGREEMENT****NOTICE TO GUARANTOR - PLEASE READ BEFORE SIGNING**

You are being asked to guarantee this debt. Think carefully before you do. If the Borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the Borrower does not pay. You may also have to pay late fees or collection costs as allowed by law, which increase this amount. The creditor can collect this debt from you without first trying to collect from the Borrower.

The creditor can use the same collection methods against you that can be used against the Borrower, such as suing you, garnishing your non-exempt wages, etc. If this debt is ever in default, the fact may become a part of your credit record.

This notice is not a contract that makes you liable for the debt.

Your signature below acknowledges that you have received a copy of this notice.

GUARANTOR AGREEMENT

To induce the credit union ("Credit Union" or "us" or "we") named on page 1 to extend credit to the Borrower(s) named on page 1, you ("the Guarantor(s)"), jointly and severally, guarantee prompt and full payment upon default for the debt described in the Closed-end Note, Disclosure, Loan and Security Agreement, including principal and interest and any costs of collection as allowed by law. We can enforce this Agreement against your heirs and legal representatives. We can release or settle with any of the guarantors at any time without affecting the liability of the remaining guarantor(s) and others.

Credit Union's Rights. We may sue you for payment of the Debt if Borrower is in default and you do not pay the amount(s) you have guaranteed. We can also use any collection method against you as we could against the Borrower.

Security Interest & Pledge of Shares. You pledge and grant a security interest in all shares and/or deposits in any of your joint and individual accounts at the Credit Union as security for your guaranty. We have the right to apply your shares and/or deposits towards the amount owed if Borrower is in default. Shares and/or deposits in an IRA, Keogh Plan, or other account that may lose special tax status as a result of such a pledge shall not be subject to any right of setoff or pledge.

No Notice Required. We do not have to give you notice of any event, including: (1) the Borrower's failure to pay any amount due or other events of default, (2) any action taken by us with respect to property given by Borrower as security for the debt, (3) any new debts the Borrower incurs with us, or (4) any renewal, extension or substitution of any of the Borrower's debts.

No Waiver of Rights. The Credit Union can delay enforcing any of its rights without losing them.

SUBSTITUTION OF COLLATERAL: Carla Padovani

Kia Motors America, Inc (KMA) is attempting to perform a Substitution of Collateral (SOC) for the above customer:

- The customer is being instructed to come to your dealership and pick out a vehicle (like vehicle only, any upgrade may result in an additional financial obligation by the customer)
- Once the customer has picked a vehicle, please hold the vehicle. **DO NOT PLACE THE CUSTOMER IN THE NEW VEHICLE AT THIS TIME** because several issues must still be resolved, including lender approval
- Please forward a copy of the dealer invoice for the vehicle on hold to me
- I will then contact the lienholder (if applicable) for authorization to perform the SOC
- If approved, I will fax you a "trade out authorization form" which is the agreement between KMA and your dealership for KMA to pay for the new vehicle

Once the customer, dealer, KMA, and lienholder (if applicable) have all agreed to the terms, KMA will then contact our outside vendor (Morley) to schedule the transaction. Once Morley has been scheduled, we will process the request for payment to your dealership. This payment generally takes 30-60 days and will be credited to your Dealer Parts Statement. Below is a breakdown of the Morley steps:

1. Morley contacts customer and dealer to schedule the vehicle exchange
2. Morley sends an agent to your facility to perform the SOC (ensure the proper documents are signed, the turn-in vehicle is inspected for damage, and the replacement vehicle is delivered)
3. Morley follows-up with the Service Manager for any repairs and/or recalls necessary to the turn-in vehicle. Additionally, they will brand the vehicle's title.
4. Once any repairs and/or recalls are completed to the vehicle, Morley will send a transportation company to pick-up the turn-in vehicle

Please acknowledge that you have read the above and understand the surrendered vehicle does belong to KMA.

SUBSTITUTION OF COLLATERAL: _____ 5XXGT4L3XJG [REDACTED] _____

Kia Motors America, Inc (KMA) is attempting to perform a Substitution of Collateral (SOC) for the above customer:

- The customer is being instructed to come to your dealership and pick out a vehicle (like vehicle only, any upgrade may result in an additional financial obligation by the customer)
- Once the customer has picked a vehicle, please hold the vehicle. **DO NOT PLACE THE CUSTOMER IN THE NEW VEHICLE AT THIS TIME** because several issues must still be resolved, including lender approval
- Please forward a copy of the dealer invoice for the vehicle on hold to me
- I will then contact the lienholder (if applicable) for authorization to perform the SOC
- If approved, I will fax you a "trade out authorization form" which is the agreement between KMA and your dealership for KMA to pay for the new vehicle

Once the customer, dealer, KMA, and lienholder (if applicable) have all agreed to the terms, KMA will then contact our outside vendor (Morley) to schedule the transaction. Once Morley has been scheduled, we will process the request for payment to your dealership. This payment generally takes 30-60 days and will be credited to your Dealer Parts Statement. Below is a breakdown of the Morley steps:

1. Morley contacts customer and dealer to schedule the vehicle exchange
2. Morley sends an agent to your facility to perform the SOC (ensure the proper documents are signed, the turn-in vehicle is inspected for damage, and the replacement vehicle is delivered)
3. Morley follows-up with the Service Manager for any repairs and/or recalls necessary to the turn-in vehicle. Additionally, they will brand the vehicle's title.
4. Once any repairs and/or recalls are completed to the vehicle, Morley will send a transportation company to pick-up the turn-in vehicle

Please acknowledge that you have read the above and understand the surrendered vehicle does belong to KMA.

IMPORTANT DISCLOSURES FOR ACTIVE MEMBERS OF THE MILITARY AND THEIR DEPENDENTS:

The following applies if at the time of this loan you are a member of the military or a dependent (as those terms are defined in the Military Lending Act, 10 U.S.C. 987 and its implementing regulations), and: (a) your loan is unsecured or secured by personal property or a vehicle that you did not purchase with the proceeds of the loan; or (b) this loan is made for the purchase of a vehicle or personal property, and you also receive additional 'cash out' financing (e.g., to pay off negative equity on a trade-in or you otherwise receive additional cash).

- NOTICE:** Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this notice verbally, please call 1.800.995.2711 during our normal business hours Monday through Saturday.
- This loan will not be secured by a consensual lien on shares or deposits in any of your accounts unless you specifically agree to establish an account in connection with this loan ("Secured Account"). Only funds deposited into the Secured Account after the loan is made will secure this loan. Any cross-collateralization provision contained in your loan or membership documents will not apply to the Secured Account or your other share or deposit accounts for any loan subject to the Military Lending Act. However, with regard to this loan, we still reserve our statutory lien rights and any resulting rights to set-off or administrative freeze under federal or state law, which gives us the right to apply the sums in the Secured Account or any other account(s) you have with us to satisfy your obligations under this loan. Any contract terms in your loan, security, or membership agreements that contradict the above with regard to this loan are hereby deleted.
- This loan is not subject to mandatory arbitration and therefore any reference to mandatory arbitration in this Loan Agreement and Security Agreement shall not apply to this loan.
- If you are a Louisiana resident, the Louisiana-specific provisions contained in the Security Agreement do not apply to this loan.

IN THESE AGREEMENTS, THE WORDS "I," "ME," "MY" AND "MINE" MEAN ALL THOSE NAMED AS BORROWERS. THE WORDS "YOU," "YOUR" AND "YOURS" MEAN THE CREDIT UNION.

LOAN AGREEMENT

Payments/Finance Charges: For value received, I promise to pay, at your office, all amounts due. Interest shall accrue on a daily basis at the rate of 4.00 % per year. All payments shall be made pursuant to the disclosure statement on page 1 of this document. I understand that the finance charge and total of payments shown on page 1 of this document are based on the assumption that all installment payments will be made on the scheduled due dates. If I fail to pay any installment by the time it is due, I will pay additional interest on the overdue amount and my loan may not be paid in full at the end of the term. In such case, any remaining balance will be due in full immediately.

Allocation of Payments and Additional Payments: Payments and credits shall be applied in the following order: any amounts past due; any fees or charges owing, including any fees or premiums for additional products purchased; accrued interest or finance charges; outstanding principal. Payments made in addition to regularly scheduled payments shall be applied in the same order.

Fees: If I make a late payment, I agree to pay a late charge if one is disclosed on page 1 of this document. Additionally, I agree to pay the following fees:

Returned Item Fee: \$ 29.00 If my payment is returned unpaid for any reason.

Other: N/A \$ N/A

Borrower Responsibility: I promise to notify you of any change in my name, address or employment. I promise not to apply for a loan if I know there is a reasonable probability that I will be unable to repay my obligation according to the terms of the credit extension. I promise to inform you of any new information which relates to my ability to repay my obligation. I promise not to submit false or inaccurate information or willfully conceal information regarding my creditworthiness, credit standing, or credit capacity.

Default: The following provision applies to Borrowers in Idaho, Kansas, and Maine: I will be in default if (1) I do not make a payment of the required amount when due; or (2) you believe the prospect of payment, performance, or realization on any property given as security is significantly impaired.

The following provision applies to Borrowers in Wisconsin: I shall be in default under this Agreement if any of the following occur: (a) if an amount exceeding one (1) full payment due under this Agreement is more than ten (10) days late or if the first or last payment due under this Agreement is more than forty (40) days late; OR (b) I breach any term or condition of this Agreement, which breach materially impairs my ability to pay amounts when due or materially impairs the condition, value, or protection of your rights to or in any collateral securing this transaction.

The following provision applies to all other Borrowers: I shall be considered in default if any of the following occur: (1) if I break any promise made under this Loan Agreement or under the Security Agreement; or (2) if I do not use the money you loaned me for the purpose stated in my application; or (3) if you should, in good faith, believe that prospect of payment, performance or realization of the collateral, if any, is impaired; or (4) if I die; or (5) if I file a petition in bankruptcy, insolvency, or receivership or am put involuntarily into such proceedings; or (6) if the collateral, if any, given as security for this loan is lost, damaged or destroyed, or if it is levied against, attached, garnished, or seized for any reason under any authority; or (7) if I do not pay on time any of my current or future debts to you; or (8) if anyone is in default of any security agreement given in connection with this Agreement; or (9) if I make any false or misleading statements in any credit application or update of credit information; or (10) I am in default of any other loan or security agreement I have with the Credit Union; or (11) I use the Agreement for any illegal purpose or transaction as determined by applicable law. If I default, you may, at your option, declare this loan immediately due and payable, and I must immediately pay to you at that time the total unpaid balance, as well as the Finance Charge to date, any late charges and costs of collection permitted under law, including reasonable attorney's fees.

Costs of Collection: The following applies to all loans except those subject to the Wisconsin Consumer Act: I shall pay all costs incurred by you in collecting any amount I owe or in enforcing or protecting your rights. Costs of collection include, but are not limited to, collection agency fees, repossession fees, appraisals, environmental site assessments, and casualty insurance. Costs of

collection also include reasonable attorney's fees for any action taken by an attorney who is not your salaried employee in order to collect this loan or preserve or protect your rights and remedies, including, without limitation, pre-suit demands for payment, pre-suit mediation or settlement negotiations, investigation and assessment of your rights, participation in bankruptcy cases, matters, and proceedings (including, without limitation, filing proofs of claim, pursuing reaffirmation agreements, attending meetings of creditors, and pursuing complaints, motions, and objections that relate in any way to the Credit Union's collateral or right to payment), collateral disposition, non-bankruptcy suits and/or administrative actions, and appeals. For Alabama Borrowers: attorney's fees after default shall not exceed 15% of the unpaid debt, or such higher amount as a court may allow. For Georgia Borrowers: attorney's fees shall not exceed 15% of principal and accrued interest, or such higher amount as a court may allow.

The following applies to all loans subject to the Wisconsin Consumer Act: I shall pay the reasonable expenses incurred in the disposition of the collateral, such other charges specifically authorized by the Wisconsin Consumer Act, and any costs or expenses of collection allowed by a court of competent jurisdiction. If the collateral for the loan is a motor vehicle as defined by the Wisconsin Consumer Act, I may also be required to pay (1) the expenses of taking and holding the collateral if paid to someone other than the creditor; travel and transportation expenses in taking possession of the collateral; or (2) if the collateral is not redeemed, the greater of (1) the sum of the following: expenses for cleaning and restoring the appearance of the collateral, not to exceed \$100; expenses for repair of damage to the collateral if covered by insurance, not to exceed the lesser of any deductible or \$250; expenses for mechanical repairs to the collateral, not to exceed \$200; or (2) expenses for any repair to the collateral which increase the selling price of the collateral, not to exceed the amount of the increase.

Action Upon Default: The following provision applies to Borrowers in Colorado, District of Columbia, Kansas, Maine, Massachusetts, Missouri, Nebraska, and West Virginia: Once I have defaulted, and after the expiration of any right I may have under applicable state law to cure my default, you can demand immediate payment of the entire unpaid balance of the loan without giving me advance notice. The principal balance in default shall bear interest at:

- ☒ the contract rate.
☐ the rate of _____ %.

The following provisions apply to Borrowers in Wisconsin:

Right to Cure Default: If I am in default under this Agreement, you must give a notice of default to me pursuant to Wisconsin Statutes sec. 425.104-425.105. I shall have fifteen (15) calendar days from the date the notice is mailed to me to cure the default. In the event of an uncured default, you shall have all the rights and remedies for default provided under the Wisconsin Consumer Act, Uniform Commercial Code, or other applicable law, including, but not limited to, the right to repossess the collateral. You may waive any default without waiving any other subsequent or prior default by me.

No Right to Cure: Pursuant to Wis. Stat. Sec. 425.105(3), I shall not have the right to cure a default if the following occur twice during the preceding twelve (12) months: (a) I was in default on the closed-end note; (b) You gave me notice of the right to cure such previous default in accordance with Wis. Stat. Sec. 425.104; and (c) I cured the previous default.

Nothing in this Agreement shall be construed to restrict your ability to exercise your rights under the Wisconsin Consumer Act, Uniform Commercial Code, or other applicable law, including, but not limited to, the right to repossess the collateral.

The following provision applies to Borrowers in all other states: Once I have defaulted, you may, at your option, declare all amounts under the Agreement immediately due and payable, and I must immediately pay to you at that time the total unpaid balance, as well as the Finance Charge to date, any late charges and costs of collection permitted under law, including reasonable attorney's fees. Co-Borrowers: If I am signing this Agreement as a Co-Borrower, I agree to be equally responsible with the Borrower, but you may sue either or both of us. You do not have to notify me that this Agreement has not been paid. You may extend the terms of payment and release any security without notifying or releasing me from responsibility on this Agreement.

Governing Law: This Agreement shall be construed and enforced in accordance with federal law and the laws of the State of TX. If I have entered into a mandatory arbitration agreement in connection with this loan: If any provisions within this Agreement pertaining to jurisdiction and venue are inconsistent with the arbitration agreement, the arbitration agreement will govern.

Change in Terms: The terms of this Agreement, including any fees disclosed, are subject to change without prior notice, subject to applicable law.

Contractual Pledge of Shares: I pledge all my shares and deposits in the Credit Union, including future additions, as security for this loan. In case I default, you may apply these shares and deposits to the payment of all sums due at the time of default. If the Wisconsin Consumer Act does not apply to my loan, I also agree that you may apply these shares and deposits to costs of collection and reasonable attorney's fees. No lien or right to impress a lien on shares and deposits shall apply to any of my shares which may be held in an "Individual Retirement Account" or "Keogh Plan."

State Notices:

NOTICES TO WISCONSIN BORROWERS: No provision of a marital property agreement, a unilateral agreement under Wis. Stat. Section 766.59, or a court decree under Wis. Stat. 766.70 adversely affects the interest of the Credit Union unless prior to the time the credit is extended, the Credit Union is furnished with a copy of the agreement or statement, or has actual knowledge of the adverse provision when the obligation to the Credit Union is incurred.

NORTH DAKOTA NOTICE TO BORROWERS PURCHASING A MOTOR VEHICLE - THE MOTOR VEHICLE IN THIS TRANSACTION MAY BE SUBJECT TO REPOSSESSION. IF IT IS REPOSSESSED AND SOLD TO SOMEONE ELSE, AND ALL AMOUNTS DUE TO THE SECURED PARTY ARE NOT RECEIVED IN THAT SALE, THE BORROWER MAY HAVE TO PAY THE DIFFERENCE.

NOTICE TO UTAH BORROWERS: This written agreement is a final expression of the agreement between me and the Credit Union. This written agreement may not be contradicted by evidence of any oral agreement.

NOTICE FOR ARIZONA OWNERS OF PROPERTY: It is unlawful for a Borrower to fail to return a motor vehicle that is subject to a security interest within thirty days after I have received notice of default. The notice will be mailed to the address I provided on this document unless I have given the Credit Union a new address. It is my responsibility to notify the Credit Union if my address changes. The maximum penalty for unlawful failure to return a motor vehicle is one year in prison and/or a fine of \$150,000.

NOTICE TO CALIFORNIA RESIDENTS: By signing this Agreement, I specifically agree that the Credit Union may access the records of the California Department of Motor Vehicles from time to time to obtain my current mailing address, and by so agreeing, I am specifically waiving my rights under sections 18008.21 and 18008.22 of the California Vehicle Code.

NOTICE TO TEXAS BORROWERS- INSURANCE REQUIRED: I am required to: (i) keep the Collateral insured against damage in the amount of the loan or another amount if you so specify; (ii) purchase this insurance from an insurer that is authorized to do business in the state of Texas or an eligible surplus lines insurer; and (iii) name you as the person to be paid under the policy in the event of a loss. I must also provide you a copy of the policy and proof of the payment of premiums if you so request. If I fail to meet any of these requirements, you may obtain Collateral protection insurance on my behalf at my expense.

For Missouri Residents: Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect me (Borrower) and you (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

For Vermont Residents: NOTICE TO CO-BORROWER: YOUR SIGNATURE ON THIS LOAN MEANS THAT YOU ARE EQUALLY LIABLE FOR REPAYMENT OF THE LOAN. IF THE BORROWER DOES NOT PAY, THE LENDER HAS A LEGAL RIGHT TO COLLECT FROM YOU.

OHIO RESIDENTS ONLY: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

WASHINGTON AND OREGON RESIDENTS ONLY:

WARNING: UNLESS I PROVIDE YOU WITH EVIDENCE OF THE INSURANCE COVERAGE AS REQUIRED BY YOUR LOAN AGREEMENT, YOU MAY PURCHASE INSURANCE AT MY EXPENSE TO PROTECT YOUR INTEREST. THIS INSURANCE MAY, BUT NEED NOT, ALSO PROTECT MY INTEREST. IF THE COLLATERAL BECOMES DAMAGED, THE COVERAGE YOU PURCHASE MAY NOT PAY ANY CLAIM I MAKE OR ANY CLAIM MADE AGAINST ME. I MAY LATER CANCEL THIS COVERAGE BY PROVIDING EVIDENCE THAT I HAVE OBTAINED PROPER COVERAGE ELSEWHERE. I AM RESPONSIBLE FOR THE COST OF ANY INSURANCE PURCHASED BY YOU. THE COST OF THIS INSURANCE MAY BE ADDED TO MY LOAN BALANCE. IF THE COST IS ADDED TO THE LOAN BALANCE, THE INTEREST RATE ON THE UNDERLYING LOAN WILL APPLY TO THIS ADDED AMOUNT. THE EFFECTIVE DATE OF COVERAGE MAY BE THE DATE MY PRIOR COVERAGE LAPSED OR THE DATE I FAILED TO PROVIDE PROOF OF COVERAGE. THE COVERAGE YOU PURCHASE MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE I CAN OBTAIN ON MY OWN AND MAY NOT SATISFY WASHINGTON'S AND OREGON'S MANDATORY LIABILITY INSURANCE LAWS.

SECURITY AGREEMENT

Security Interest; PLEDGE OF SHARES; Statutory Lien; Set-off; Administrative Freeze: To secure the payment of this loan and all expenditures incurred by the Credit Union in connection with this loan: (a) I grant the Credit Union a security interest in the property described on Page 1 of this document ("Collateral"). The security interest includes all increases, substitutions and additions to the secured property, proceeds from any insurance on the secured property and all earnings received from the secured property. The security interest also includes all accessions. Accessions are things which are attached to or installed in the property now or in the future. The security interest also includes any replacements for the property which I buy within 10 days of the loan or any extensions, renewals or refinancing of the loan. If the value of the property declines, I promise to give you more security if asked to do so. I also agree to abide by the terms of the Security Agreement. (b) I GRANT AND PLEDGE TO YOU A CONSENSUAL LIEN ON ALL SUMS ON DEPOSIT to secure my obligations to the Credit Union pursuant to applicable state law. "All sums on deposit" and "shares" for purposes of this pledge means all deposits in any share savings, share draft, club, certificate, P.O.D., revocable trust or custodial account(s), whether jointly or individually held, that you have on deposit now or in the future, all of which are deemed "general deposits" for the purpose of this pledge. My pledge does not include any IRA, Keogh, tax escrow, irrevocable trust or fiduciary account in which I do not have vested ownership interest. (c) I acknowledge and agree to impressment of the Credit Union's statutory lien rights under the Federal Credit Union Act and/or applicable state law as of the date of my loan, which gives you the right to apply the sums in my account(s), to satisfy any obligations I owe to the Credit Union, regardless of contributions at the time of default, and without further notice to me or any owner of the account(s). (d) I acknowledge and agree to your "common law" right to set off under applicable state law which authorizes you to apply the funds in any joint or individual account to any obligations owed to you if I default or fail to pay or satisfy any obligation to you without any legal process, court proceeding or any notice to any owner of the account(s) affected hereunder or otherwise under this Agreement. (e) I specifically agree that you have a right to place an administrative freeze on any of my joint or individual account(s) and that such action shall not violate 11 USC 362 or other applicable law.

Multiple Rights; Cumulative Remedies: I understand and agree that the Credit Union has multiple rights as enumerated above and that the remedies are cumulative. Nothing herein shall limit or restrict the remedies available to you following any event of default under the terms of my loan documents.

Cross-collateralization: Property given as security for this loan or for any other loan Borrower has with the Credit Union will secure all amounts Borrower owes the Credit Union now and in the future. However, properly securing another debt will not secure this loan if such property is Borrower's principal residence (unless the proper rescission notices are given and any other legal requirements are satisfied), or are non-purchase money household goods.

Release of Lien: You will not release any lien on any Collateral under this Agreement if I am delinquent on, or in default on, any other loan I have with you. For example, if I am in default on a line of credit, you will not release your lien on a vehicle loan, even if the vehicle loan is current or paid in full.

Transfer of Collateral: I will not change the location of, sell or transfer the Collateral unless I have your prior written consent.

Good Title: I warrant that I have good title to the Collateral, free of all security interests except that given to the Credit Union and except for any interest of a non-Co-Borrower owner of the Collateral who has signed the Agreement in the indicated place.

BORROWER'S NAME	LOAN NUMBER	ACCOUNT NUMBER	DATE OF LOAN
[REDACTED]	[REDACTED]	[REDACTED]	05/08/2017

IN THESE AGREEMENTS, THE WORDS "I," "ME," "MY" AND "MINE" MEAN ALL THOSE NAMED AS BORROWERS. THE WORDS "YOU," "YOUR" AND "YOURS" MEAN THE CREDIT UNION.

Maintenance of Collateral: I will pay all taxes, assessments, and liens against or attached to the property described and further agree to keep the property in good condition, housed in a suitable shelter. I agree to execute financing statements and security agreement amendments at your request and will defend the property against adverse third party claims.

Additional Security: Should you feel at any time that the security presented has diminished in value, or for any reason feel that additional security is required, I agree to assign to you within ten (10) days of your request whatever additional security you feel is necessary to protect yourself against possible loss.

Actions Upon Default: If a default as defined in the Loan Agreement should occur, you, or a third party designated by you, have the authority, upon such default, to repossess and sell the Collateral in a lawful manner. This includes authority to take possession of any personal property contained in the Collateral. In such cases, you or your authorized representatives may, at your option, enter the premises where the Collateral is kept and take possession, subject to applicable laws. You have the right to render the property pledged as Collateral unusable and may dispose of the Collateral on the premises where the Collateral is kept. If you decide to sell the Collateral at a public sale, private sale or otherwise dispose of the Collateral, you will provide reasonable notice if required by law and will otherwise comply with applicable state law. Unless I default, I may keep possession of the Collateral described and use it in any lawful manner consistent with this Agreement or with the insurance policy on the Collateral. I understand that you have certain rights and legal remedies available to you under the Uniform Commercial Code and other applicable laws, and that you may use these rights to enforce payment if I default. In the event of default, I will at your request assemble the Collateral and make it available to you at a place of your choosing. If you decide to waive this default, it will not constitute waiver of any other subsequent defaults. *The following applies to all loans except those subject to the Wisconsin Consumer Act:* If you sell or otherwise dispose of the collateral you may collect from me reasonable expenses incurred in the retaking, holding and preparing the collateral for and arranging the sale of the collateral. You may also collect reasonable attorney's fees and legal expenses, permitted by applicable law, incurred in connection with disposition of the property. *The following applies to loans subject to the Wisconsin Consumer Act:* If you sell or otherwise dispose of the collateral you may collect from me reasonable expenses incurred in the disposition of the collateral and such other charges as are specifically authorized by the Wisconsin Consumer Act. If the collateral is a motor vehicle, I may also pay additional expenses as set forth in Wisconsin Consumer Act §422.413.

Attorney-in-Fact: You are hereby appointed as my Attorney-in-Fact to perform any acts which you reasonably feel are necessary to protect the Collateral and the security interest which this Agreement creates.

Joint Borrowers: If there is more than one Borrower, our obligations under this Agreement are joint and several, each being equally responsible to fulfill the terms of this Agreement.

Other Owners: A person signing this Agreement as an Other Owner grants you a security interest in the Collateral and agrees to the terms of the Loan Agreement and Security Agreement, but shall not be personally liable to repay the debt. This means that if the Borrower defaults, the Collateral may be repossessed, sold, or otherwise used to satisfy the debt. The Other Owner also agrees that you may extend new credit or otherwise change the terms of this Agreement without notice to the Other Owner.

Others Bound: This Security Agreement not only binds me, but my executors, administrators, heirs, and assigns.

Further Assurances: I agree to execute any further documents, and to take any further actions, reasonably requested by Credit Union in order to evidence or perfect the security interests granted herein or to effectuate the rights granted to Credit Union.

Governing Law: This Security Agreement is being executed and delivered in, and is intended to be performed in, the State of TX and shall be construed and enforced in accordance with federal law and the laws of the State of TX, except to the extent that the Uniform Commercial Code provides for the application of the law of another state.

Additional Advances: Any additional advances made by you for the payment of taxes or assessments or liens of any kind, or premiums on insurance and the interest owing thereon or any other advance necessary to perfect or protect your security interest shall also be secured by this agreement. Such amounts shall be added to my loan balance and my minimum payment due shall be increased or my loan term extended accordingly.

Applies to Louisiana residents only:

Louisiana law permits repossession of motor vehicles upon default without further notice or judicial process.

If the secured Collateral is a motor vehicle and I am in default, you may seize and sell the motor vehicle without demand for payment or advance notice to me. Collateral other than motor vehicles may be repossessed without judicial process only as allowed by applicable Louisiana law.

For purposes of foreclosure under Louisiana executory process, I hereby confess judgment in your favor for all amounts secured by the Agreement, including, but not limited to, principal, interest, late charges, costs of collection, costs of preservation of the Collateral, reasonable attorney's fees, and all other amounts under the Agreement. You may appoint a keeper of the property in the event of foreclosure. To the extent allowed under Louisiana law, I hereby waive the following rights and procedures under Louisiana law: (a) all rights and benefit of appraisal; (b) notice of seizure; (c) the 3-day delay afforded under Articles 2331 and 2722; and (d) all other

provisions under Articles 2331, 2722 and 2723 and all other Articles not specifically mentioned herein. I further agree that any declaration of fact made by authentic act by a person declaring that such facts are within his or her knowledge shall constitute authentic evidence of facts for the purposes of foreclosure under applicable Louisiana law and for the purposes of LSA-R.S. 9:5504(D)(6) and LSA-R.S. 10:9-508, to the extent applicable.

PROPERTY INSURANCE; LENDER-PLACED INSURANCE - PLEASE READ CAREFULLY

(a) My requirement to maintain property insurance. I am required to carry insurance to protect my interest and your interest in the collateral securing this loan. The insurance:

- Must protect against any loss by fire or theft, and collision and comprehensive coverage on motor vehicles and other property pledged as security on this loan.
- Must (i) be in an amount and type sufficient to repair the collateral to its existing condition prior to the loss, and/or to replace the collateral with comparable or like property, minus depreciation, if it is damaged or lost; or (ii) be in an amount and type as you might otherwise inform me that you require.
- Must have a maximum deductible as set forth by you.
- Must be maintained in force for as long as the loan is outstanding.
- Must name you as loss payee. You must receive the loss payee endorsement within 30 days of my loan date.

These requirements are solely in your discretion and you may change any of these requirements at any time for any reason. The insurance may be obtained by any insurer of my choice that is acceptable to you.

(b) Lender-placed property insurance. Please read carefully:

- If I fail to maintain insurance satisfying the requirements set forth above, or if I fail to provide you proof of such coverage, you may, but do not have to, obtain insurance to protect your interest (not mine) in the property.
- The total cost of lender-placed insurance will be added to the loan balance. The total cost of this insurance includes, but is not limited to, the premium, any administrative costs you incur, any commissions that may be earned, and other reasonable expenses related to my failure to maintain insurance. This cost will be paid by me either on demand, or by increasing my periodic payment, or by extending the loan term.
- Whether you obtain insurance, and the amount and types of coverage that you may obtain, is solely in your discretion. You may obtain this insurance from anyone you want, including an affiliate of yours, and such affiliate may earn a commission on the coverage.
- The insurance placed by you is without benefit to me personally, and is primarily for your protection. It may not adequately protect my interest in the collateral or any personal property contained in the collateral, and will not satisfy any mandatory liability or financial responsibility requirements under state law.
- Coverage obtained by you may be considerably more expensive than coverage I could obtain on my own and may be different than previous policies I may have had or policies that I may prefer.
- Any insurance placed by you will be effective as of the date my policy lapsed or, if I never obtained insurance, the date of the loan.
- Nothing in this agreement is intended to confer third-party beneficiary rights or status to me with respect to any agreements between you and your insurer or its agent.

(c) How to remove lender-placed property insurance. I may have the lender-placed coverage cancelled at any time by providing evidence to you that I have purchased insurance coverage satisfying the requirements set forth above. If I do so, I will receive a refund of any unearned premiums and finance charges on the lender-placed coverages and my loan balance will be adjusted accordingly.

(d) Other. I assign you the right to receive and endorse any insurance proceeds check, to apply those proceeds to the sums I owe, and I direct any insurer to pay those proceeds directly to you. I further authorize you or your representative to obtain the necessary information for verification of adequate coverage. You, or your affiliates, may receive compensation or reimbursement of expenses related to any insurance premiums added by you.

(e) Default. If I fail to maintain insurance as set forth above, I will be in default of my loan. You may either place your own insurance on the collateral as explained above, or you can declare me in default and take all remedies set forth in my loan or security agreement or available to you under applicable law, including calling the loan immediately due.

**NOTICE TO GUARANTOR
AND AGREEMENT****NOTICE TO GUARANTOR - PLEASE READ BEFORE SIGNING**

You are being asked to guarantee this debt. Think carefully before you do. If the Borrower doesn't pay the debt, you will have to. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the debt if the Borrower does not pay. You may also have to pay late fees or collection costs as allowed by law, which increase this amount. The creditor can collect this debt from you without first trying to collect from the Borrower.

The creditor can use the same collection methods against you that can be used against the Borrower, such as suing you, garnishing your non-exempt wages, etc. If this debt is ever in default, the fact may become a part of your credit record.

This notice is not a contract that makes you liable for the debt.

Your signature below acknowledges that you have received a copy of this notice.

GUARANTOR AGREEMENT

To induce the credit union ("Credit Union" or "us" or "we") named on page 1 to extend credit to the Borrower(s) named on page 1, you ("the Guarantor(s)"), jointly and severally, guarantee prompt and full payment upon default for the debt described in the Closed-end Note, Disclosure, Loan and Security Agreement, including principal and interest and any costs of collection as allowed by law. We can enforce this Agreement against your heirs and legal representatives. We can release or settle with any of the guarantors at any time without affecting the liability of the remaining guarantor(s) and others.

Credit Union's Rights. We may sue you for payment of the Debt if Borrower is in default and you do not pay the amount(s) you have guaranteed. We can also use any collection method against you as we could against the Borrower.

Security Interest & Pledge of Shares. You pledge and grant a security interest in all shares and/or deposits in any of your joint and individual accounts at the Credit Union as security for your guaranty. We have the right to apply your shares and/or deposits towards the amount owed if Borrower is in default. Shares and/or deposits in an IRA, Keogh Plan, or other account that may lose special tax status as a result of such a pledge shall not be subject to any right of setoff or pledge.

No Notice Required. We do not have to give you notice of any event, including: (1) the Borrower's failure to pay any amount due or other events of default, (2) any action taken by us with respect to property given by Borrower as security for the debt, (3) any new debts the Borrower incurs with us, or (4) any renewal, extension or substitution of any of the Borrower's debts.

No Waiver of Rights. The Credit Union can delay enforcing any of its rights without losing them.

SUBSTITUTION OF COLLATERAL: [REDACTED]

Kia Motors America, Inc (KMA) is attempting to perform a Substitution of Collateral (SOC) for the above customer:

- The customer is being instructed to come to your dealership and pick out a vehicle (like vehicle only, any upgrade may result in an additional financial obligation by the customer)
- Once the customer has picked a vehicle, please hold the vehicle. **DO NOT PLACE THE CUSTOMER IN THE NEW VEHICLE AT THIS TIME** because several issues must still be resolved, including lender approval
- Please forward a copy of the dealer invoice for the vehicle on hold to me
- I will then contact the lienholder (if applicable) for authorization to perform the SOC
- If approved, I will fax you a "trade out authorization form" which is the agreement between KMA and your dealership for KMA to pay for the new vehicle

Once the customer, dealer, KMA, and lienholder (if applicable) have all agreed to the terms, KMA will then contact our outside vendor (Morley) to schedule the transaction. Once Morley has been scheduled, we will process the request for payment to your dealership. This payment generally takes 30-60 days and will be credited to your Dealer Parts Statement. Below is a breakdown of the Morley steps:

1. Morley contacts customer and dealer to schedule the vehicle exchange
2. Morley sends an agent to your facility to perform the SOC (ensure the proper documents are signed, the turn-in vehicle is inspected for damage, and the replacement vehicle is delivered)
3. Morley follows-up with the Service Manager for any repairs and/or recalls necessary to the turn-in vehicle. Additionally, they will brand the vehicle's title.
4. Once any repairs and/or recalls are completed to the vehicle, Morley will send a transportation company to pick-up the turn-in vehicle

Please acknowledge that you have read the above and understand the surrendered vehicle does belong to KMA.

Problem Description :

customer states can not fill fuel tank all the way

Diagnostics Performed :

check for tsb and bulletins. customer states that when the tank does not fill all the way they can start the engine and then continue filling tank to full.

*** PHONE LOG 11/11/2016 11:31 AM Pacific Daylight Time JPhillips-TL Action Type:Web Contact

Advice 1: Joe, if you disconnect the large vapor line from the canister, does the vehicle accept fuel?

*** NOTES 11/11/2016 12:06 PM clarify Action Type: Dealer contact

*** Performed by contact: Joe Wurm, [REDACTED]

Result of Advice 1: the initial concern was that the customer could not put more than 12 gallons of fuel in at a time. the tank is over half full right now. I took the hose off from the canister and blew through the hose to the ccv. open. I put the hose back on and took off the other end and blew air into the tank and the air went in and exited. I did not take it to the gas station and try to fill it with the hose off.

*** PHONE LOG 11/11/2016 01:42 PM Pacific Daylight Time JPhillips-TL Action Type:Web Contact

Advice 1: Ok, the vapor hose that I asked you to remove from the canister cannot be removed from the ORVR as it is part of the tank. Blowing air the opposite way into the ORVR does not tell us anything. The point was to determine if there was a restriction in the vapor recovery system, or the tank. The sheer volume of air being evacuated during refilling cannot be duplicated by blowing through the line. I would like you to perform the testing as described originally. Once you provide the results, I will advise of a repair.

*** NOTES 11/11/2016 02:26 PM clarify Action Type: Dealer contact

*** Performed by contact: Joe Wurm, [REDACTED]

Result of Advice 1: removed large line from canister and filled tank without problem

*** PHONE LOG 11/11/2016 02:36 PM Pacific Daylight Time JPhillips-TL Action Type: Web Contact

Advice 1: It would seem you may have a problem in the vapor recovery system. Make sure that there are no spider webs in the vent tube from the canister to the CCV/filter. Use a straightened coat hanger, or solid core copper wire. If no restrictions can be found, replace the canister.

Problem Description :

customer can not fill fuel tank to full and smells fuel when starting.

Diagnostics Performed :

verify that there is not obstruction in the hose/line from the canister to the ccv. the canister was replaced 3000 miles ago for this concern.

*** PHONE LOG 01/09/2017 01:58 PM Pacific Daylight Time DFinkelstein-TL Action Type:Outgoing call

Advice 1: Joe, if you have verified the customer's complaint and it doesn't show full on the fuel gauge and it's tough to put fuel into the tank then unplug the large hose from the canister and take it to the gas station and see if it can be refueled easily ? If no, then the fuel vent valve inside the gas tank maybe faulty and require replacing or the whole gas tank possibly.

The policies or certificates issued by the named insurance companies may further limit the coverage that credit life or credit disability insurance provides. See the policies or certificates for coverage limits and other terms and conditions.
