Received message from customer's boyfriend:

1. Alright Samuel
2. My name is Ed Garrison and my girlfriend's name is
3. I'm pretty sure you're familiar with her name, she filed a case against you guys, her car catching fire and burning down on the freeway
4. I'm the young man that was in that car
5. And she's been trying to get a hold of you and leaving you messages and texts and things like this to try and figure out what's going on with the car
6. And you have yet to get back to her
7. And I just want to let you know that is so unprofessional dude, especially after something like that has happened
8. So really, you're just making your guys' case worse for Kia because I will take you guys to court and I'll make your head spin so quick dude, you'll be dizzy for a month
9. So it's not that hard to give us a call back and let us know what's going on
10. Right now, the cars sitting at a tow yard and collecting money at \$60 something dollars a day, to have that thing sit there while you guys dick around and wait to go look at it
11. And I'm not paying that first off, you guys are gonna pay that
12. If that means I've got to take you guys to court, then so be it
13. You guys are gonna pay whatever it needs to be paid to get that f***** car out of there and take it somewhere
14. So I'm not sure if you can tell, but I'm highly upset that a company like Kia can't even manage to give a call back
15. To a young lady with a newborn child that had a car that wasn't even at 90,000 fucking miles burn to the ground

16. It's not that hard man, , rememeber the name
17. Also remember the name
18. Please do yourself a favor, do your company a favor and give us a call back and let us know what the progress report is
19. Or I promise I'm gonna find out where your office is at and we're just gonna come there and then we'll talk to your boss and people like that
20. Or I could just start posting on Facebook about how Kia is obviously, obviously not a good company as everybody thinks
21. And I can put up the videos of the car burning down and my arm getting f***** burnt because I was trying to put the fire out
22. Or the fact that I was trying to get my daughter's car seat base out of the back seat while the front seat was on fire
23. You know, I could do any of that
24. Please do your job and give her a call back, thank you very much
25. Oh and if you want to talk to me specifically personally, my phone number is
26. See, sounds like a gingle, can't forget it
27. Thank you

Received message from customer's boyfriend:

1. Hi Samuel
2. This is again, boyfriend
3. So you didn't get back to me so I went ahead and put out 5K to get me a lawyer
4. I gave him your number, I also gave him the other number that I have, the 1(800) number
5. And he said that from now on, there's no reason to contact me or
6. He said he'll get in contact with you
7. And I'm assuming that's not very good for you guys, you know, a big huge company like Kia, you know
8. You guys are probably gonna be having some pretty big legals problems you know, so
9. But you know I tried, I gave you a call and all you had to do was be responsible enough to give me a call back and you didn't
10. So my lawyer will be in touch momentarily I'm sure and I'm sure I'll see you in court eventually
11. Thanks for your time buddy
12. Try to treat your other customers with a little bit more of respect and dignity
13. Especially after their car burns to the ground because of a fault on Kia's part, thanks

1. It looks like you have already settled with you insurance company?

3. If the insurance company decides to try and seek a reimbursement for the vehicle, that would be matter between KIA and the insurance company
4. This is my assumption, but I believe the matter between the customer and the insurance company would be a closed deal once the settlement has been paid

Description: KIA MOTORS HAS DECIDED THAT A DEFECT WHICH RELATES TO MOTOR VEHICLE SAFETY EXISTS IN CERTAIN 2012-2014 KIA FORTE & FORTE KOUP VEHICLES. THE DEFECT MAY RESULT IN 1) THE CONTINUOUS ILLUMINATION OF THE STOP LAMPS, 2) ILLUMINATION OF THE TRACTION CONTROL WARNING LIGHT.

3) THE ABILITY TO MOVE THE SHIFT LEVER WITHOUT DEPRESSING THE BRAKE PEDAL AND/OR 4) ACTIVATION OF THE ENGINE MANAGEMENT SYSTEM'S BRAKE PEDAL OVERRIDE FEATURE AND THUS INCREASE THE RISK OF A CRASH.

THE MATERIAL OF THE BRAKE PEDAL STOPPER PAD WHICH IS LOCATED BETWEEN THE STOP LAMP SWITCH AND THE BRAKE PEDAL ARM MAY DETERIORATE OVER TIME ALLOWING THE STOP LAMP SWITCH PLUNGER TO REMAIN EXTENDED WHEN THE BRAKE PEDAL IS RELEASED. A DETERIORATED PAD CAN RESULT IN 1) THE CONTINUOUS ILLUMINATION OF THE STOP LAMPS, 2) ILLUMINATION OF THE TRACTION CONTROL WARNING LAMP, 3) THE ABILITY TO MOVE THE SHIFT LEVER WITHOUT DEPRESSING THE BRAKE PEDAL AND/OR 4) ACTIVATION OF THE ENGINE MANAGEMENT SYSTEM'S BRAKE PEDAL OVERRIDE FEATURE. THESE SYMPTOMS CAN INCREASE THE RISK OF CRASH.

Remedy: KIA HAS ADVISED ITS AUTHORIZED DEALERS TO REPLACE THE BRAKE PEDAL STOPPER STOP PAD WITH AN IMPROVED ONE. THE WORK WILL BE PERFORMED AT KIA'S EXPENSE AT NO COST TO YOU. THE ESTIMATED TIME WHICH WILL BE REQUIRED TO REPAIR YOUR VEHICLE IS APPROXIMATELY ONE (1) HOUR; HOWEVER PLEASE CONTACT YOUR DEALER FOR AN EXACT ESTIMATE OF HOW LONG THEY MAY NEED YOUR VEHICLE. Glossary

[View Full Glossary](#)

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
